Annexure

Sr No	Name of the Applicant	Company Name	Category of the Applicant	Objection raised by the Invalid Nomination Candidates	Election Committee's Remarks
1	Shivam Bansal	J J Plastalloy Pvt Ltd	Export House	<p>As per the objections of the candidate, he has mentioned that as per the Council's notification and Annexure, how a nominee knows that the person who is signing the form, his/her name was mentioned on IEC and RCMC or not.</p> <p>And, if the form has to be rejected due to the seconder's name not mentioned in IEC/RCMC, then at least name has to be mentioned of the person who is eligible to sign.</p> <p>This is really not acceptable from our side that the form is rejected due to this reason.</p>	<p>A)The clause no. 11 of the nomination form reads as under: Only authorize representative, whose name is mentioned in the RCMC/ IEC shall be eligible to contest proposed or seconded at the elections.</p> <p>B)In the Election Rules, 2025, on page 6, section (J), under the heading "Eligibility to Contest in Elections", it is clearly outlined that: Only the authorized representative, whose name is mentioned as such in the RCMC/IEC, while applying for membership with the Council shall be eligible to contest, propose or second at the Election. Hence the objections raised by the Invalid candidate is not justifiable.</p>
2	Anup Mahendra Gopalka	Umasree Texplast Pvt Ltd	MSME	The candidate has mentioned that he has attached the MSME certificate along with the application on 31st July, 2025	The latest MSME status could only be ascertained from the classification year 2025-26. Since the applicant has not submitted an updated MSME certificate clearly mentioning the MSME status for the current year, the committee is contrained to reject the nomination.
3	Mukesh Patani	Mukesh Patani	MSME	<p>As per information available on public domain, the certificate of MSME is valid indefinitely unless there is a significant change in business investment or turnover</p> <p>As Udhyaam Registration certificate does not require periodic renewal, it is valid for a lifetime. However, it is crucial to update your registration detail on the Udhyaam portal to reflect change in business turnover, investment or structure to maintain the accuracy of your classification and ensure continued access to Govt. benefits and schemes.</p> <p>This means that if there is no such material changes, there is no need to do any updating.</p>	The latest MSME status could only be ascertained from the classification year 2025-26. Since the applicant has not submitted an updated MSME certificate clearly mentioning the MSME status for the current year, the committee is contrained to reject the nomination.
4	Sreeja K	Nandalala Indian Hair Pvt Ltd	Women Entrepreneur	The candidate has mentioned that she has inadvertently not enclosed the last page of the nomination form. She has asked for the re-consideration.	Since there was no signature of the candidate in the nomination form, the same was not accepted.
