MESSAGE

I am happy to know that Plexconcil is holding its Annual Export Award function on 15th December, 2001.

Plexconcil is playing a very crucial role in providing an impetus to India's efforts towards increasing its share in World Trade.

In the plastic sector export scenario is quite encouraging. For the year ending March, 2001 as against 27% overall growth of export, this sector achieved a spectacular growth of 59%. Despite an overall slowdown in exports, this sector has achieved a growth of 22% for the first five months of the current year.

Honouring excellence in the field of exports in this sector, will go a long way in encouraging our exporters to attain still greater heights.

Citation presented to
Mr Gaurav Swarup
Chairman
1997-98 & 1998-99

Mr Gaurav Swarup, a multi-faceted personality, made a debut into the active affairs of PLEXCONCIL when he was co-opted to the Committee of Administration in 1988-89. His active participation and positive contributions to the cause of Export Promotion particularly of the plastics sector made him win the confidence of the Committee of Administration who rewarded him by electing him as the Vice Chairman of PLEXCONCIL from 1993-94 till 1996-97 until he finally attained the coveted position of the Chairman of PLEXCONCIL for the years 1997-98 and 1998-99.

Mr. Gaurav Swarup, bestowed with a brilliant academic career, is a Mechanical Engineer from Jadavpur University and graduated in the year 1978. He subsequently attended the Harvard University and was awarded the MBA degree from the Harvard Business School in 1980. Upon graduating from Harvard he joined the family business - the renowned Paharpur Group of Companies which has diverse interests in business and active involvement with the group company Paharpur Plastics which, as one of the leading players in the plastic woven sacks sector, received several export awards, including the PLEXCONCIL's Best Exporter Award for the year 1993-94. Currently he remains associated with the Plastic Industry through the group company, Paharpur Industries Ltd., which is amongst the top flexible packaging companies in the country exporting its products to several countries.

Mr Gaurav Swarup, a committed professional in management, also had hands on experience in the field of exports with a chain of achievements to his credit. His approach towards business management has made him win kudos in several facets of industry and business which is exhibited by his acquiring the prestigious position of the President of the Indian Chamber of Commerce, Calcutta in the year 1997-98, the apex Chamber of Commerce in Eastern India and as a Managing Committee Member of the Federation of Indian Chambers of Commerce & Industry (FICCI) for several years. He is also a member of the State Planning Board of the Government of Tripura

PLEXCONCIL takes pride in associating itself with such an eminent personality as Mr Gaurav Swarup who has been associated with the Council actively from 1988 till date. PLEXCONCIL enjoyed the benefits of his wisdom and experience acquired by him in a short span of time. In fact, Mr Gaurav Swarup was one of the youngest Chairmen of the Council who acquired this prestigious position at the age of 40. Even before becoming the PLEXCONCIL Chairman, Mr Gaurav Swarup led PLEXCONCIL's delegation to Mauritius in 1994 & the Plastic Woven Sack Manufacturers' delegation to

Europe for negotiation with the European Association of Textile Polyolefines (EATP) for negotiating the alleged dumping of plastic woven sacks by India into Europe.

The period of Mr Gaurav Swarup's Chairmanship was one of the golden eras in the field of export promotion with two distinct milestones – the first of their kind for PLEXCONCIL. A delegation led by Mr Gaurav Swarup to Iraq in 1998 – a land slapped with sanctions by the United Nations. Fast to act in sponsoring the delegation at the advice of our Ambassador in Baghdad, Mr Gaurav Swarup himself led the delegation. He was instrumental in motivating potential Indian exporters of woven sacks to Iraq to form a consortium which is today an outstanding example of cooperation amongst exporting companies resulting in woven sack exports to Iraq through this consortium crossing over fifteen crores rupees. The second milestone was leading a delegation to select Latin American countries of Argentina, Chile, Peru and Panama – an activity initiated under his leadership in line with the FOCUS LAC programme launched by the Ministry of Commerce. Mr Gaurav Swarup's leadership portrayed excellent entrepreneurial and professional qualities of the Indian plastic industry to the outside world.

Mr Gaurav Swarup, a man bestowed with qualities of selling innovative ideas, always held the policy makers spell bound in his presentations on PLEXCONCIL's recommendations of policy and procedural matters. His contributions in putting forward points like Plastic Technology Parks and Brand Promotion Techniques provided excellent inputs to the policy makers, when formulating policies related to Special Economic Zones and Brand Promotion Schemes.

Mr Gaurav Swarup's association with PLEXCONCIL as a Chairman provided excellent motivation and guidance to the Council's Secretariat in terms of acquiring greater skills in servicing the plastic industry to excel in their export performance. Mr Gaurav Swarup's analytical bent of mind helped the Council in identifying the needs and problems of the exporting community of the plastic industry better and initiating proper action to satisfy the needs and seek solutions to the problems.

Mr Gaurav Swarup's association will stand out in the history of the Council and the Council looks forward to his association for a long time in the interest of promoting exports particularly from the Indian plastic industry in the future to come.

In recognition of his excellent contributions and selfless service of building the plastic industry and its exports, the Council honours Mr Gaurav Swarup with this citation at the hands of Mr Rajiv Pratap Rudy, Honourable Minister of State for Commerce & Industry, Government of India on this fifteenth day of December 2001 in Mumbai.
