Indian Plastic Industry Exports Overview

India's plastics exports show resilience despite pandemic

India reported plastics exports of US\$ 9.9 billion in 2020-21, lower by just 1.5% despite the pandemic related disruptions that have proven more challenging than ever in recent history. During the same period, merchandise exports from India slipped to US\$ 291.8 billion, down 6.9% from US\$ 313.4 billion in 2019-20.

India's plastics exports during 2020-21 were boosted by higher shipment of value-added plastic products like Leathercloth, Plastic sheets and films, Self-adhesive sheets and films, Plastic pipes and fittings, Packaging items of plastic, Medical disposables of plastic, Decorative laminates, Stoppers and closures of plastic, Electrical items of plastic, and Nets including fishnets. Human hair – which also comes under the purview of Plexconcil – witnessed a huge jump in exports.

During 2020-21, India's plastics exports did well in North America, North-East Asia, Africa, Latin America & Caribbean, and Oceania. While United States, China and the United Arab Emirates remained the top-3 destinations for India's plastic products during 2020-21, exports to countries like Nepal, Nigeria, Singapore, Brazil, Australia, Ghana, Chile, Oman, Peru, and Algeria, witnessed an uptick in terms of their ranking among the destination countries for India's plastic products.

In the near future, Plexconcil is targeting exports of US\$ 25 billion so as to increase India's share in the global plastics export market to 3.0% by 2025. For this, it is targeting both traditional markets (North America and Europe) as well as emerging and emerging markets (Africa, Latin America & Caribbean, and Oceania) for Indian plastics products.

The target is difficult, but achievable, and Plexconcil is taking efforts towards this front through various activities including: increased engagement with the various Indian missions abroad, partnerships with international associations and chambers of commerce, launch of export skills programme, improving the industry digital footprint through plex-e-pages, signing of memorandum of understanding with Dun & Bradstreet, and engaging with district export promotion committees. Besides this, Plexconcil has continued its efforts to bring-in domestic manufacturers into the export fold by creating awareness campaigns about exports, and to help Indian companies participate in International trade fairs.

India's plastics industry offers immense potential in terms of capacity, infrastructure and skilled manpower. India is currently ranked among the top five consumers of polymers in the world and has 50,000 plus plastic processing units employing over four million people across the country. Plastics are among the fastest-growing industries in the country experiencing a double-digit growth rate on an average. The plastics industry in India is making significant contribution to the economic development and growth of various key sectors in the country which includes automotive, construction, electronics, healthcare, and FMCG.

The plastic processing industry has the potential to contribute in bringing foreign investments and thus India's vision of becoming a manufacturing hub. Establishment of plastic parks across various states, a cluster development approach to consolidate capacities in the plastics sector, is a step towards the same direction targeting fresh investments for adding manufacturing prowess in India.

MESSAGE

I am delighted to learn that The Plastics Export Promotion Council (PLEXCONCIL) is organising its Export Award function in Mumbai on 16th April, 2022.

It is gratifying to note that along with huge domestic demand, export of plastics from India has been growing due to the continuous efforts made by all the stakeholders including the plastics industry, PLEXCONCIL, various Government departments and Indian missions abroad. The Indian plastic industry has grown significantly over the years to reach \$11 billion in 2021-22. Given the immense potential and encouraging growth trends, exports will continue to rise in the near future.

Under the dynamic leadership of Hon'ble Prime Minister Narendra Modi, the Government's vision to sign trade agreements in the coming years shall help boost exports to Europe, United Kingdom, North America, Oceania, Africa, and the GCC, thereby increasing our share in the global export market of plastics. The need of the hour is to be prepared for servicing the demand for plastics in these markets with products that are of international quality and leave a lesser carbon footprint.

The plastics industry has tremendous export potential and I am sure, our manufacturers and exporters will surpass the expectations of all by meeting higher targets in the future. I congratulate all the Export Award winners and wish PLEXCONCIL all the success in its future endeavours.

MESSAGE

I am delighted that the Plastics Export Promotion Council (Plexconcil) is holding its **Export Award Function** to recognize the top exporters for the years 2019-20 and 2020-21 on 16th April, 2022 at Mumbai.

The Council was established in 1955 and over the years, Plexconcil has played a pioneering role in promoting exports of the plastic products by showcasing the capabilities of the Indian plastic industry before the world and also encouraging its members to integrate their business with the global value chain. Department of Commerce will continue to provide support to the industry and the Council to enable it to grow and occupy its rightful place as a leader at the global level. It is the endeavour of the Department to provide continuous support and export facilitation.

I am glad that exports from the Indian Plastics Industry have grown from a meager USD 16.5 million in 1955-56 to USD 11.0 billion in 2020-21. Given the immense potential and encouraging growth trends, exports are set to cross USD 13 billion in the current financial year.

I take this opportunity to congratulate the exporters for their tremendous efforts for augmenting plastics exports, with special emphasis on quality and reliability. I hope the organisation will create a platform for the industry to debate and deliberate on the future course of action for enhancing exports.

On this special occasion, I congratulate all the Export Award Winners and with Plexconcil success in its future endeavours!

28th March, 2022
New Delhi

MESSAGE

I am delighted that the Plastics Export Promotion Council (PLEXCONCIL) is holding Export Award Function to recognize the top exporters who have shown their excellent growth in their exports for the years 2017-18 to 2020-21 on 16th April in Mumbai.

The export of plastic raw materials dominates the exports of this sector and the share of processed plastic items in our export basket needs to increase considerably. This involves, among other things, up gradation of technology to enhance production capacities, focus on higher value addition and high end technology items, and innovative marketing strategies.

However, too often the way plastics are currently produced, used and discarded fails to capture the benefits of a more integrated approach. There is also an urgent need to tackle the environmental problems that cast a long shadow over the production, use and consumption of plastics. PLEXCONCIL can take the initiative to address this issue along with the leading industry players.

I trust PLEXCONCIL will continue to support and encourage exporters to obtain a larger share in the global exports market. I hope the organization will continue to provide a platform to generate ideas and opportunities for the growth of the industry and for enhancing exports. The Government will continue to support the Council and the industry in promoting trade and expanding business opportunities.

I convey my heartiest congratulations to all the award winners for their achievements and I believe this would serve as an inspiration to other exporters to bring out their best

Message

I am pleased to note that The Plastics Exports Promotion Council is organizing its Export Award Function to recognize the top exporters for the years 2017-18 / 2018-19 and 2019-20 / 2020-21 on 16th April, 2022.

2. The Plastic industry in India has made significant achievements ever since it made a modest but promising beginning by commencing production of Polystyrene in 1957. I am glad that exports from the Indian Plastics Industry have grown from a meagre USD 16.5 million in 1955-56 to USD 11.0 billion in 2020-21. Given the immense potential and encouraging growth trends, exports are set to cross USD 13 billion in the current financial year.

3. In its pursuit to achieve export excellence, PLEXCONCIL has undertaken various export promotional activities to help their members grow their exports.

4. I congratulate all the Export award winners and wish PLEXCONCIL and its members for the success of this event.

MESSAGE

I am happy to learn that the Plastics Export Promotion Council (Plexconcil) is holding its Export Award Function in Mumbai to recognize the top exporters for the years 2017-18 to 2020-21 on 16th April, 2022 .I congratulate the members of the Exporting Community for their commendable achievements in the field of exports, despite stiff competition and a number of global challenges.

It is heartening to note that the Council has been rendering useful services to their member exporters in their efforts towards achieving increase in exports.

I am happy to know that exports of plastic have grown to USD 13 Billion in 2021-22, despite the global uncertainties due to the pandemic.

PLEXCONCIL, since its inception, has been acting as a catalyst for boosting exports in plastic sector undertaking various trade promotion activities and thereby facilitating inflow of valuable foreign currency to country's exchequer.

PLEXCONCIL, under the aegis of Department of Commerce, is doing a commendable job in carrying forward the vision of economic growth through sustained high level of exports of Indian Plastic Products to the world market. I hope the organization will further create new avenues and opportunities for increasing our exports.

I convey my heartiest congratulations to the export award winners for their achievements which would serve as an inspiration to other exporters to bring out their best. I wish the event all success and hope the Council would consolidate the good work in the years to come.

Message

It is said that the one who conquers the sea today, conquers the ocean tomorrow.

I wish to start by congratulating all the Winners of Plexconcil's Exports Excellence Awards who, despite the numerous hurdles and upheavals of the past especially two years, have emerged stronger and more successful today. Through this Award, we would like to not just recognize their fine achievements, but I also hope that we can all draw inspiration from their accomplishments.

Global disruptions in supply chains over the past two years have shifted the spotlight on India, opening up an ocean of new opportunities for our industry. To support this, and in line with the Hon'ble PM's vision to grow India's exports, the GOI is in the process of signing several FTA's (Free Trade Agreements) with numerous countries that are also key export destinations for plastics. The India UAE CEPA was signed after numerous interactions with the industries at record pace of 88 days only. The India – Australia ECTA has been announced and several more FTA's are being negotiated, including Canada, Israel, UK, etc. Our country's achieving a historic USD 400 Billion in exports is a testimony to a visionary leadership, the bold and dynamic policies and progressive measures undertaken by the Govt. We thank the GOI for their generous support and encouragement to our industries through the years.

Plastics exports during FY 2021-22 crossed the USD 13 Billion mark, which is the highest ever for our industry and has exceeded by as much as 30% over the previous year. We are grateful to the GOI for their numerous interactions with industry & industry associations like PLEXCONCIL to understand in detail, the issues & suggestions and take corrective actions.

The Council has been vigorously pursuing activities and initiatives that are aimed at not just export growth, but also encouraging greater export participation from our manufacturing sectors. I congratulate the Plexconcil Committee of Administration (COA) our Vice Chairman, Shri. Hemant Minocha & our Regional Chairmen for their tireless support in this regard and applaud the Plexconcil's Secretariat for aiding and assisting the industry through the challenging months and the years. I also take this opportunity to call upon all industry members to take advantage of the prospects in plastics exports and expand their business internationally.

As the Chairman, it is my honour to be a part of this year's Awards as it comes after a long gap. The timing is perfect as business is now in full throttle and the Awards not only aim to reward past accomplishments, but more importantly, inspire much greater achievements ahead.

Congratulations to the Winners and best wishes for much more success ahead!

Mr. Arvind Goenka
Chairman

THE PLASTICS EXPORT PROMOTION COUNCIL
(Sponsored By The Ministry Of Commerce & Industry, Dept. Of Commerce, Government Of India)

Message

Foremost, I would like to extend my heartiest congratulations to all the Winners of Plexconcil's Export Excellence Awards. The past especially two years have proven more challenging than ever in recent history and despite the global disruptions, our industry members have demonstrated great resilience. It is the determination, meticulous planning and relentless pursuit of excellence that has helped not just individual exporters achieve stupendous success, but the collective efforts of our exporters have resulted in plastics exports surpassing USD 13 Billion for the year, demonstrating 30% growth over the previous fiscal and propelling this industry to achieve greater glories ahead.

Being an apex body for the industry, our Council and our activities have always been greatly supported by the Govt of India. Over the years, the Govt has developed many dynamic policies and a framework for our sector. The India-UAE CEPA and the numerous proposed FTAs are proof of the GOI's intent to expand Indian exports and many of these include key destinations for Plastics. Success is always work in progress. Today, India enjoys a superior position in the global arena and our country has immense opportunities for growth. Our exports reached its USD 400 Billion mark for the first time in the history of modern India demonstrating the dynamic synergy between the Govt and the industries. On behalf of our industry, we thank the GOI for the unstinted encouragement & forward-looking measures designed for the exports fraternity, without which, our industry could not have attained the stature that it enjoys internationally today.

Lastly, while we recognize the efforts of each and every member of our fraternity, we applaud the Award Winners who have set high benchmarks for the industry, and we hope that their achievements serve as an inspiration to all to do better and more. Congratulations to all Winners!

Mr. Sribash Dasmohapatra
Executive Director

CITATION

THE PLASTICS EXPORT PROMOTION COUNCIL OF INDIA (PLEXCONCIL)

Awarded to

Late Shri. Pradip Thakkar

Chairman PLEXCONCIL 2015-2016 & 2016-2017

Mr. Pradip Thakkar, a stalwart and champion of the Indian Composites Industry, was the Chairman of PLEXCONCIL from 2015 to 2017. His brilliant leadership was instrumental in systemizing PLEXCONCIL's Export Promotion activities and realizing the Council's presence at many global fronts, enabling the Indian Plastic fraternity to strengthen its foothold in the international markets.

A chemical engineer from IIT Kanpur, Mr. Pradip Thakkar started his enterprise MECHEMCO on a modest scale while pursuing his Master's at UDCT. His passion and zeal for the growth of Composites in India transformed MECHEMCO into a leading manufacturer of Composite Resins in the nation as well as worldwide. His rich experience and astute leadership brought together the Indian Composites fraternity, including stakeholders, academicians, service providers, Government and Semi-Government agencies. As the Chairman of the International Conference & Exhibition on Reinforced Plastics in 2008, 2011, 2017 and 2019, he was largely responsible for making ICERP a premier event for the Indian Composites Industry. Having been graced by the august presence of Former President Dr. APJ Abdul Kalam and Former Defense Minister Shri Manohar Parrikar, ICERP- the 2nd largest composites exhibition in Asia today has received global acclaim and is a flagship event showcasing the best-in-class and latest in composites technology.

During his Chairmanship at the FRP Institute, Mr. Pradip Thakkar established a strong association with JEC Group France, the largest global organization for composite materials promotion, to further the interests of the Indian Composites fraternity. He was also responsible for the conception of the JEC Innovation Award that is presented to the most innovative composite companies in India as well as organization of the India Pavilion at JEC events in association with PLEXCONCIL, thereby bridging the gap between Indian exporters and the international marketplace.

As Chairman of PLEXCONCIL, he represented the varied challenges of the Plastic Industry to the Ministry of Commerce & Industry, integrated Composite exporters into the Council's fold, lent a voice in resolution of Export Promotion concerns, and led Indian delegations to represent the nation on several global platforms. A veteran known in the industry for his able leadership, immense passion, expertise and vision for making India one of the finest hubs for Composites, Mr. Pradip Thakkar left a legacy of path-breaking contributions and impeccable corporate lessons.

In recognition of his selfless service to build the Indian Plastics Industry and flourish its Export Promotions, this Citation is given under the hand of:

Shri. Piyush Goyal, Hon'ble Minister of Commerce & Industry, Government of India
on this 16th day of April 2022, in Mumbai.

Arvind Goenka
Chairman

CITATION

By

THE PLASTICS EXPORT PROMOTION COUNCIL OF INDIA (PLEXCONCIL)

Awarded to

Mr. Ashok Kumar Basak

Chairman, PLEXCONCIL January – September 2018

A veteran member of the Council for three decades, Mr. Ashok Kumar Basak became an integral part of the Council's export promotion activities as a committee member of the Eastern region and thereafter the Committee of Administration. His keen interest in export promotion and his vast experience in the plastic industry earned him Vice Chairmanship of PLEXCONCIL during 2015-2016, 2016-2017 and Chairmanship from 1st January to 11th September 2018.

A Bachelor of Mechanical Engineering, Mr. Ashok Kumar Basak forayed into the industry as an Engineering trainee at Andrew Yale & Co, where his proficiency saw his ascension as the Senior Executive Engineer in the Ship Building, Planning & Execution Department. In 1980, he spearheaded the Sub-contracting Department at Mahindra & Mahindra Co. as the Senior Manager.

Driven by passion for entrepreneurship, and keen on studying and exploring the vast business opportunities pan-India and across the globe, he ventured into export business in 1989. Launching M/S Technocal & M/S CRaftlink to manufacture and export disposable, plastic-bases medical equipment primarily to USA, Mr. Ashok Basak set upon the course of stratospheric success and never looked back. In a first-of-its-kind, he developed disposable biopsy punches, ear curates, disposable surgical forceps, etc., specifically customized to suit the USA market requirements. In a business breakthrough in 1991, he established Mans Engineering Enterprise Private Limited, that earned renown for the manufacture of premium engineering and plastic auto components with Tata Motors and its units as one of its many customers.

In recognition of his dedication and contribution towards the progress of the Indian Plastics Industry and Exports, this Citation is given under the hand of:

**Shri. Piyush Goyal, Hon'ble Minister of Commerce & Industry, Government of India
on this 16th day of April 2022, in Mumbai.**

Arvind Goenka
Chairman

THE PLASTICS EXPORT PROMOTION COUNCIL OF INDIA (PLEXCONCIL)

Awarded to

Mr. Ravish Kamath

Chairman PLEXCONCIL 2018-2019 & 2019-2020

Mr. Ravish Kamath is a dynamic visionary, among whose myriad achievements is the foundation of Big Bags International Private Limited in 1993. Recognized by PLEXCONCIL as India's second largest exporter of Flexible Intermediate Bulk Containers, Big Bags International Private Limited is also the largest FIBC exporter from the state of Karnataka since several years and is the recipient of awards from the state Government and the Federation of Karnataka Chambers of Commerce & Industry.

A Bangalore University graduate, Mr. Kamath has been the cornerstone of several pioneering and expansive developments in the FIBC Industry. He was the Founder President of Indian Flexible Bulk Container Association (IFIBCA), the past President of All India Flat Tape Manufacturers' Association (AIFTMA), Southern Regional Chairman of PLEXCONCIL in 2015-2016, 2016-2017 and the Chairman of the Council in 2018-2019 & 2019-2020.

He is currently a member of the governing council of IFIBCA, Managing Committee Member of AIFTMA and the Vice President of PlastIndia Foundation - the apex body of Indian plastic associations, organizations and institutions aiming to make India the preferred sourcing hub for plastic products across the globe.

PLEXCONCIL in recognition of his dedication and contribution towards the progress of the Indian Plastics Industry and Exports, this Citation is given under the hand of:

**Shri. Piyush Goyal, Hon'ble Minister of Commerce & Industry, Government of India
on this 16th day of April 2022, in Mumbai.**
