Subject: Participation at Vietnam Plas, HO Chi Minh City 2019, October 3-6, 2019

Dear Sir(s),

We have pleasure in informing you that the Council is facilitating participation under India Pavilion at **Vietnam Plas 2019**, scheduled to be held in HO Chi Minh City 2019, October 3-6, 2019.

Market Overview:

Poised to become a **developed nation by 2020**, Vietnam is an open economy with trading flow of US\$340 billion, It is the second fastest growing economy in Asia in 2016, second only to India. The country's foreign direct investment (FDI) sector accounts for approximately 22 per cent of its economy. The country strong economic growth, reforms and demographic advantage makes it an ideal destination for trade.

For India Vietnam is an important destination for trade development. The Country provides an strategic opportunity to also explore business opportunities and Cambodia & Laos. Its economy is dominated by major industries like Agriculture, Automobiles, Construction & Building Materials, Food, Logistics & Real Estate.

Vietnam plastics industry is still a new sector compared to others such as mechanical, chemical or textile industry; however, it has experienced tremendous growth in both revenue and profitability, with annual estimated growth rate of 16 to 18 per cent. There are currently more than 2,200 plastics companies operating in Vietnam with the number of domestic companies accounting for 85 per cent. This has resulted from an ever-increasing consumption of plastic products which are widely used in several industries and economic sectors such as: power, electronics, telecommunication, communication and transportation, aquatic products, agriculture, etc. Forecasting to 2020, domestic plastic producers will need about 5 million tons of input raw materials for production flows and activities.

About the event

VIETNAM PLAS is one of the largest trade fairs for Plastic Industry in ASEAN Region. Since, 15 years the exhibition is providing a unique platform for the plastics industry to explore business opportunity in one of the most promising markets in the continent.
