We have received communication from the FT-LAC, Department of Commerce regarding the status of the trade negotiations between India & Peru covering goods, services and investment.

The first round of negotiations has already been held on 8-11 August, 2017 in New Delhi. During the first round of negotiations, both sides, *inter-alia*, decided to exchange their respective Wish list in advance of the 2nd round of negotiations. The second round of negotiations has been held in Lima, Peru during 9-12th April, 2018 and both sides exchanged their general views on the respective Wish Lists exchanged on 28.3.2018.

Peru has provided its Wish List containing 5000 TLs at 8-digit HS Code. A copy of their Wish List is attached. In their Wish List, Peru has sought full tariff elimination at the entry into force of the Agreement for all these tariff lines. Also attached is an excel sheet containing export / import statistic between India & Peru for the last 4 years for your reference. Also, a separate pro-forma is also attached for providing the information as Annexure – I, Annexure- II and Annexure – III.

We are now required to give your views/ comments on following:-

- List of tariff to be kept under sensitive category (Annexure II)
