All Members/All Members of the COA

Dear Sir(s),

Subject : Regarding Relief in Average Export Obligation in terms of Para 5.19 of Hand Book of Procedures of Foreign Trade Policy, 2015-20

We wish to inform you that O/o DGFT has issued Policy circular no. 31/2015-20 dated 26.02.2020 regarding Para 5.19 of the Hand Book of Procedures of [FTP 2015-20](#) which envisages that to provide relief to exporters of those sector where total export in the sector/product group has declined by more than 5% as compared to the previous year, the average export obligation for the year may be reduced proportionate to reduction in exports of that particular sector/product group during the year as against the preceding year. This implies that the sector/product group that witnessed such decline in 2018-19 as compared to 2017-18 would be entitled for such relief.

A list of such sectors/product group showing the percentage decline in exports during 2018-19 as compared to 2017-18 is enclosed alongwith said Policy circular.

O/o DGFT has requested to all the Regional Authority 'RA' to re-fix the annual average export obligation for EPCG authorization for the year 2018-19 accordingly. The reduction, if any, in the export obligation should be appropriately endorsed in the file pertaining to the concerned EPCG authorization, as also in the Amendment Sheet to be issued along with the concerned EPCG authorization by the RA.

The RA, while considering requests of discharge of export obligation 'EO' will ensure that in case of shortfall in EO fulfillment, the Policy Circulars earlier issued in terms of Para 5.11.2 of HBP 2009-14 and Para 5.19 of HBP of [FTP 2015-20](#) are also considered before issuance of demand notice, EODC etc. This stipulation should also form part of Check Sheet for the purpose of EODC.

Members are requested to take note of the same and make of use of this opportunity to regularise their EPCG cases, if any, accordingly.

With best regards,
Yours sincerely,

Plexconcil Team
