issued in view of the various representations received from exporters expressing difficulties in obtaining preferential access in Thailand and Vietnam based on the digitally signed electronic Certificates of Origin and manual applications for the said countries was allowed.

The given issue has been taken up and it is decided that one additional copy i.e. electronic copy along with the set of 4 copies shall be generated by the system. Where required, the exporter may also collect the other set of printed certificates (in quadruplicate) duly ink-signed by the officer along with the stamp from the designated office for any subsequent submission to the partner country authorities.

The COO applications for exports under ASEAN-India FTA to all ASEAN countries except Thailand should now be submitted through the e-COO Platform by the exporters to the offices of the designated issuing agencies i.e. EIA, MPEDA and Textile Committee.

No physical application shall be accepted from 22.06.2020. However, manual applications submitted prior to the given date may be issued.

These agencies (EIA, MPEDA and Textile Committee) will henceforth issue the Certificate of Origin online and provide on request the printed copy of certificate along with a stamp and wet-ink signature of the issuing officer to the exporter.
