THE PLASTICS EXPORT PROMOTION COUNCIL
(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Dear All,

Warm greetings !

It is said that progress is impossible without change. And what better example than Plastics that has over the decades revolutionized many an industry, from food to aerospace.

Today, it is our proud privilege to celebrate 65 Years of growth, progress and transformation of India's plastics exports. Plexconcil is pleased to share another milestone in its journey and we thank our members and various stakeholders for having supported us and encouraged us to grow to the stature that we enjoy today.

From a **USD 17 million** industry in **1955** to a **USD 11 Billion** industry, our industry has come a long way. Technological advancement, sustained efforts, manufacturing expansion, start-ups, innovation and more have all been integral to shaping our industry and with time, we have nowhere but only upwards to go on our trajectory. It has been the collective efforts of numerous illustrious leaders of our industry who have spearheaded the Council since inception, the vision and wisdom of the Government of India and the support of all our members over the years that has made this happen. As we celebrate our **65th Anniversary today**, we are heartened and are confident that we will achieve our **USD 25 Billion** mark in the **next three years**.

To all our stakeholders, members, staff and friends, here is to many more years of success ahead.

Happy 65th Anniversary!

Warm regards,

Ravish Kamath
Chairman
