Dear Sir/ Madam,

**Subject : Request for brief on the problems faced by Indian exporter including Non-Tariff Barriers(NTBs) / Market Access Issues(MAIs) in trade with Turkey**

We are in receipt of communication from FT(Europe-II) Division, Department of Commerce seeking concerns on the problems faced by Indian exporter including Non-Tariff Barriers(NTBs) / Market Access Issues(MAIs) in trade with Turkey.

- *NTB are trade barriers that restrict imports or exports of goods or services through mechanisms other than the simple imposition of tariffs. It may take the form of import quotas, subsidies, customs delays, technical barriers, or other systems preventing or impeding trade.*
- *The most common barriers to **market access** are customs duties, quantitative restrictions, technical requirements, lack of transparency of national trade regulation, unfair application of customs formalities and procedures.*

We request our members to kindly send their issues to the undersigned at [bharti@plexconcil.org](mailto:bharti@plexconcil.org) latest by 14.06.2021.

Best regards
