Dear Sir / Madam,

Subject : Suggestions are invited for review of Customs exemption notifications at the MyGov Innovate portal - reg.

This has reference to Hon'ble Finance Minister announcement during Budget presentation that a further review of existing Customs exemption notifications would be undertaken through extensive consultations.

In this context, CBIC has uploaded a message on its site whereby suggestions are invited for review of Customs exemption notifications at the MyGov Innovate portal

As per our understanding, this exercise is to review notifications which may have become outdated/redundant and thus required modification or rescission and customs laws and procedures, resulting in streamlining of a number of Customs exemption notifications and amendment in wording of the notification for bringing clarity, consolidation, other relevant factors such as extent of use, etc.

In this context, certain Customs exemptions have been identified for purpose of further review (listed below). Click here to view the list of Exemptions for review
