All Members of Plexconcil

Dear Sir / Madam,

Subject: Guidelines on Chemical Safety by Department of Chemicals and Petrochemicals

We wish to inform you that the Department of Chemicals and Petrochemicals has prepared "**Guidelines on Chemical Safety**" for the sector, these guidelines were established based on input and best practices followed by the Chemical and Petrochemical Industry.

The objectives of the guideline is to enhance safety by minimizing/preventing loss of the human, animal, and plant from various hazards associated with chemicals and petrochemicals, to mitigate the impact of industrial and natural disasters, to reduce the risk associated with chemical and petrochemical accidents, effective implementation of existing Rules and Acts applicable to the chemical and petrochemical industry and to make the Chemicals and Petrochemicals industry environmentally sustainable

Interested members may refer the guideline available for download at [Click here](#)

Best regards,

Bharti Parave

Asst. Director – Trade & Policy

The Plastics Export Promotion Council
