PLEXCONNECT- Webinar on Introduction to EU's proposed CBAM Legislation and its impact on Plastic Exports from India

14<sup>th</sup> October, 2022 (Friday) | 04.00pm- 05.30pm | Virtual Platform: Cisco Webex

Dear Sir/Madam,

Greetings from Plexconcil!

As we all are aware that the EU is at the forefront of international efforts to fight climate change. The European Green Deal sets out a clear path towards realising the EU's ambitious target of a 55% reduction in carbon emissions compared to 1990 levels by 2030, and to become a climate-neutral continent by 2050. As part of these efforts, the Carbon Border Adjustment Mechanism (CBAM) is a climate measure that should prevent the risk of carbon leakage and support the EU's increased ambition on climate mitigation, while ensuring WTO compatibility.

To spread awareness about proposed EU's CBAM legislation, we are pleased to inform you that **The Plastic Export Promotion Council (PLEXCONCIL) is organizing a Webinar on Introduction to European Union's proposed Carbon Border Adjustment Mechanism (CBAM) Legislation and its impact on Plastic Exports from India** on 14<sup>th</sup> October, 2022 (Friday) from 04.00pm- 05.30pm.
