Dear Sir / Madam,

Subject : Simplification and amendment of levying of composition fees for Export Obligation (EO) Extension under Advance Authorisation

Ref. No. : DGFT Public Notice No. 52/2015•2020 dated 18.01.2023

We wish to inform you that DGFT has amended the rates of composition fees payable by exporter under Advance Authorisation Scheme for extension of the Export Obligation Period.

Earlier, the Composition fees were linked to the % of unfulfilled export obligation and had several calculation which the RA had to verify for allowing the EO extension to the exporter.

Now, as per the new Simplification, the EO extension Composition fees will be fixed cost based on the CIF Value of the Authorisation issued. This is will make the EO Extension more straightforward and easier to calculate. The new amendment will also help automate the process and thus facilitating the exporter and compliance process in general.

The New amendment will be applicable for request made on or after 19.01.2023. Previously submitted or pending applications will be based on previous provisions.
