Financial assistance only for AIRFARE Economy Class (one person from one company) will be available to eligible members as per the MAI guidelines.

About the Republic of Guatemala

Guatemala, officially the Republic of Guatemala, is a country in Central America. It is bordered to the north and west by Mexico, to the northeast by Belize and the Caribbean, to the east by Honduras, to the southeast by El Salvador, and the south by the Pacific Ocean. With an estimated population of around 17.6 million, Guatemala is the most populous country in Central America and the 11th most populous country in the Americas. It is a representative democracy, with its capital and largest city being Nueva Guatemala de la Asunción, also known as Guatemala City, the most populous city in Central America. Their official language is Spanish.

Trade between India – Guatemala

The trade relations between India and Guatemala are on the upswing. Guatemala emerged as India's biggest trading partner in the Central American Region in 2021- 22, with bilateral trade of US\$ 573.21 million. Pharmaceuticals, textiles (especially cotton yarn and fibers), engineering products, automobiles- two and three-wheelers, motor vehicles/cars, auto components and parts, iron and steel, industrial machinery and parts, electrical machinery, plastics, and equipment are the top products exported to Guatemala while India mainly imports Wood, wood charcoal, Coffee, aluminum scrap from Guatemala.

Trade Between India – El Salvador

Currently, commercial relations are on the upswing, with India exporting goods worth US \$162.06 million in 2021-22, India's highest-ever export to El Salvador. Pharmaceuticals, textiles (especially cotton yarn and fibers), Chemicals, engineering products, automobiles- two and three-wheelers, motor vehicles/cars, auto components and parts, iron and steel, industrial machinery and parts, electrical machinery, plastics, and equipment are the top products exported to Honduras. El Salvador is close to the US, and due to its strategic location, there are huge opportunities for Indian IT companies to nearshoring from where they can serve the U.S. markets. Indian automobiles, engineering products, pharmaceuticals, plastics, and textiles have a decent market in this country, and the scope of expansion is enormous.

Trade Between India - Honduras

Over the years, India's exports are gradually increasing to Honduras. Currently, India's trade with Honduras stands at US \$ 310.81 million, out of which US \$ 291.49 million are India's exports to Honduras. Pharmaceuticals, textiles (especially cotton yarn and fibers), Chemicals, engineering products, automobiles- two and three-wheelers, motor vehicles/cars, auto components and parts, plastics, iron and steel, industrial machinery and parts, electrical machinery, and equipment are the top products exported to Honduras.
