All Members of Plexconcil/

Dear Sir / Madam,

Sub: Regarding EODC camp in DGFT's RAs w.e.f. 13th November 2023 to 24th November 2023.

We wish to inform you that the O/o DGFT has issued a Trade Notice No. 29/2023-24 regarding the organization of an EODC Camp for Advance Authorisations and EPCG.

As per the DGFT's recent communication, it has been decided that the concerned **Regional Authorities (RAs) will conduct a 2-week EODC Camp from 13th November 2023 to 24th November 2023.** The primary objective of this camp is to expedite the disposal of pending applications for Export Obligation Discharge Certificates (EODC) related to Advance Authorisations and EPCG.

Key Points from the DGFT Notice:

1. RAs are responsible for making the necessary preparations for the EODC camp. They are also tasked with publicizing the camp to all concerned exporters who have un-redeemed Advance Authorisations and EPCG Authorisations.
2. Exporters with pending EODC applications are strongly advised to make use of this camp and ensure the disposal of un-redeemed license pendency to the maximum extent feasible. The post-lunch session during the camp period will be dedicated to this purpose.

3. The notice reiterates certain points from earlier Trade Notices for due compliance, including the online generation of EODC letters, updating the status of redeemed authorizations online, and ensuring that the status of all redeemed authorizations is duly updated in the DGFT online systems.

4. It is crucial to note that EODC certificates are issued online and transmitted electronically to Customs ICEGATE System in near real-time. No manual or legacy IT system issuance will be followed.

We encourage our members to take advantage of this EODC camp to expedite the processing of their applications and ensure compliance with DGFT regulations.

Any difficulties or concerns related to this notice should be promptly communicated to the undersigned.
