Subject: Secure a Bright Future: Admissions Open at PIU for Plastics and Polymer Engineering!

Dear Sir/Madam,

I hope this message finds you in good spirits. We are thrilled to announce that admissions are now open for the prestigious B. Tech in Plastics and Polymer Engineering program at Plastindia International University (PIU), Vapi, Gujarat. As a prominent figure in the Plastics' industry, you understand the importance of a cutting-edge education in shaping the future of young minds. We invite you to consider this exceptional opportunity for your child or any aspiring students within your circle.

Why Choose PIU?

Top-Tier Education: Our AICTE-approved program offers a comprehensive curriculum designed to equip students with the expertise and skills needed to excel in the dynamic field of Plastics and Polymer Engineering.

- **Global Exposure:** Through our technical partnership with the University of Massachusetts Lowell, USA, students gain international experience, broadening their horizons and enhancing their global competence.
- **Guaranteed Career Success:** With 100% placement assurance, our graduates confidently enter the industry, supported by strong industry ties and a dedicated placement team. PIU's programs also add value to family businesses, equipping students with the skills to drive growth and innovation.

- **Generous Scholarships:** We offer scholarships covering up to 50% of tuition fees, making world-class education accessible to talented and deserving students.
- **Real-World Experience:** Our program includes extensive internships and hands-on industry exposure, ensuring that students graduate with both theoretical knowledge and practical skills.

The last date to secure admission and avail scholarships at PIU is **22nd August 2024**. This is more than just an education; it's a gateway to a thriving career in Plastics and Sustainability. We encourage you to reserve a seat for your child or any aspiring student you know to ensure they don't miss out on this golden opportunity.

For further information on the program, admissions process, or scholarship details, please visit the website at plastindia.edu.in or reach out directly at **9016784705** or info@plastindia.edu.in. They will assist you in every step of the admission process.

Join us in shaping the innovators of tomorrow. We look forward to welcoming the next generation of leaders to the PIU family.
