

PIEX/NR/2024

Date: 14/08/2024

Dear Industry Colleague,

Greetings from Plexconcil!

We are pleased to inform you that The Plastic Export Promotion Council (Plexconcil) will be organizing a knowledge session webinar. This event will cover updates on export procedures, GST, and credit finance, catering to both our new and longstanding members.

During this session, you will have the opportunity to interact with Plexconcil officials regarding upcoming activities organized by Plexconcil and government incentives. You will also be able to discuss any issues related to GST and gather information about export financing.

The webinar will be held virtually to accommodate more participants and facilitate interactive engagement.
