To,

All Members of Plexconcil,

Dear Sir / Madam,

Subject: API Integration and Bulk Upload Facility for Self-Certification of eBRC - req.

-

We wish to inform you DGFT had issued Trade Notice regarding API Integration and Bulk Upload Facility for Self-Certification of e-BRC.

To further facilitate the eBRC self-certification process, the Directorate is pleased to introduce two additional functionalities with this Trade notice.

a. Bulk Upload

Exporters shall now have the capability to generate multiple eBRCs concurrently through the bulk upload functionality

b. API Integration

The Application Programming Interface (API) integration provides exporters with the capability to interface their Enterprise Resource Planning (ERP), Accounting, or other software systems directly with the DGFT eBRC system in near real-time.

Outreach, Awareness & Feedback: User Manuals may be accessed on the DGFT website under the 'Learn' section (Application Help and FAQs -> eBRC). The manuals also provide detailed guidance on the alignment of purpose codes with eBRC fields and the validation rules for eBRC generation. Additionally, DGFT Regional Authorities (RAs) will host Exporter Outreach Programs to promote awareness and demonstrate the advanced eBRC capabilities. Stakeholders are encouraged to provide their feedback via email to ebrc-dgft@gov.in

Support Channels: Exporters may contact the DGFT Helpdesk for eBRC-related assistance through the following channels:

- Call the Toll-Free Helpdesk support number.
- Raise a Helpdesk ticket via the DGFT website (Services -> DGFT Helpdesk Service) and track the status of previously filed tickets

This initiative is part of this Directorate's ongoing efforts to streamline operations, reduce complexity, to improve ease of doing business, and empower exporters to focus on their growth.

Members are requested to go through the complete Trade notice for more information and process.

Best regards,

Bharti Parave
Deputy Director – Trade & Policy
