Dear Sir/Madam,

Subject: Regarding import dependency on Indonesia

We wish to inform you that the Department of Commerce has requested inputs from the industry regarding our imports of PVC resin (HS 39041020) from Indonesia. Details of India's imports from Indonesia is as follows:

HS Code	Commodity description	India's import from Indonesia 2024-25 (USD Mn)		(% share of Indonesia in India's total imports)
		Preferential	Total	
39041020	Suspension grade pvc resin: plast and artciles	65.31	66.55	Intermediate Good (3.13%)

In this regard, the Ministry has sought response from producers and user industries **for the second and third column** of the following table:

Particulars	Answer	Reasoning
Essentiality of the item	Yes/No (Applications of the Item, Downstream uses, etc)	Explanation -
Extent of import dependency	whether domestic production is sufficient or if imports are necessary to meet demand, and if alternate countries can meet the demand	Explanation -
Status of the domestic supply chain	whether there are any disruptions, vulnerabilities, or capacity issues. Additionally, if there is any supply chain disruption in Indonesia, how may it impact our domestic industry?	Explanation -

Your inputs will help the government take informed decision on fixing import policy of this product and we look forward to hearing from you by July 9, 2025 before 12 noon.

Should you require any clarification or further information, please feel free to reach out at bharti@plexconcil.org; research@plexconcil.org
