Dear Sir/Madam,

Subject: Regarding Pre-Budget Proposals (Revenue related) for the year 2026-2027.

We wish to inform you that the **Pre-Budget Proposals (revenue-related)** for the year **2026–2027** are likely to be presented by the **Department of Commerce**. Members are therefore requested to submit their proposals as per the below **format only**:

Sr No	Name of the product	HS Code(s) relevant provisions	Proposals	Existing rates	Proposed Rates	Reason/ Justification	Revenue implication, if any	Likely impact on exports	Additional information if any

Please note that the Pre-Budget Proposals should specifically relate to revenue matters such as Direct and Indirect Taxes, levies, procedural simplification, etc.

The following additional guidelines must be kept in mind while submitting proposals:

1. Proposals should be **complete in all respects**, properly categorized, and must include the relevant **HS Code(s)** for each product, wherever applicable.
2. The **justification** for each proposal should be limited to **300 words**. Additional details may be provided in an annexure, if necessary.
3. The **Administrative Division** may prioritize proposals based on **industry expectations** and their **relevance to export promotion**.

4. Issues that have been raised repeatedly in previous years but have not been accepted should **not** be included.

Interested members are requested to send their inputs by 13th August, 2025 to the undersigned at bharti@plexconcil.org.

Best Regards
