To,

All Members of Plexconcil/ COA Members

Dear Sir/Madam,

**Subject: Regarding submission of required Data on Financial Impact of CBAM and Other Regulations on MSMEs and Small Businesses.**

The Ministry of Commerce and Industry has requested to provide detailed data on the costs incurred by MSMEs and small businesses as a result of the Carbon Border Adjustment Mechanism (CBAM) and other relevant regulations.

Example: The Carbon Border Adjustment Mechanism (CBAM) is the EU's tool to put a fair price on carbon emitted during the production of carbon-intensive goods that are entering the EU, and to encourage cleaner industrial production in non-EU countries. CBAM will apply in its definitive regime from 2026.

Please note that the data should specifically focus on the financial impact these regulations have had on the businesses, including any additional compliance or operational costs.

In this regard, members are requested to send their response to the undersigned at [bharti@plexconcil.org](mailto:bharti@plexconcil.org) [shilpa@plexconcil.org](mailto:shilpa@plexconcil.org) on or before **16.08.2025** to submit the same to the department.

Best Regards

Bharti Parave –
