Dear Sir/Madam,

Subject: URGENT - Request for Inputs from Plastics Sector – Export Quality & Compliances under Export Promotion Mission*

A meeting is being scheduled under the **Export Promotion Mission** to discuss key issues on **Export Quality & Compliances**, specifically focusing on sectors like **plastics** that face Non-Tariff Measures (NTMs), certifications, and regulatory challenges.

Agenda Highlights:

1. Identify **mandatory/voluntary certifications**, testing, and regulatory compliances relevant to the **plastics sector**.
2. Suggest **NTMs** where support is needed under the *Support for Export Quality and Technical Compliances* component.
3. Propose **implementation modalities**, including indicative **cost reimbursement percentages**.
4. Recommend ways to align with existing schemes under **APEDA, MPEDA**, etc., to avoid duplication.

Members are requested to send:

- A **brief note** on relevant NTMs in your segment
- Details of **support required**, including how it can be implemented
- Information on **similar support** received (if any) under other government schemes

Please send your inputs by 4 PM today to nilotpal@plexconcil.org; bharti@plexconcil.org . Your timely response will help us effectively represent the interests of the plastics export sector.

Best regards,
Plexconcil Team
