Dear Sir/Madam,

Subject: Request for inputs on India's market access offer to Peru

This is with regards to the trailing circular seeking member inputs on India's market access offer to Peru for 111 PLEXCONCIL products at 8-digit HS codes. Since we have not received any input from members, we have decided to propose the following market access commitment.

- For 38 raw materials from HS Code 39041020 to HS Code 39140090, we have proposed **Elimination of Tariff with Immediate Effect** to reduce imported cost of raw materials for local industry
- For 71 value added products from HS 39161010 to HS 39269071, we have suggested **Exclusion from any tariff reduction commitment** to discourage imports and promote Make in India and exports

HS Code wise proposal is attached herewith for your kind reference.

We request you to write back to us in case you have any concerns or alternative suggestions with regards to these proposals so that we can incorporate them accordingly.

You may send your comments/inputs by the end of today to: nilotp@plexconcil.org; bharti@plexconcil.org; research@plexconcil.org to enable us to submit the same to the government at the earliest.

Regards,

Bharti Parave
