

K-Show 2025 (8-15 October 2025)

Overview

K-Show 2025, the world's largest trade fair for plastics and rubber, brought together leading global players showcasing innovations in materials, machinery, recycling, and sustainability. Plastindia Foundation organized India Pavilion & facilitating the promotion of Indian exporters and strengthening international linkages for India's plastics industry. This time over 180 Indian Companies participated at this event.

Key Highlights

Inauguration of the India Pavilion

Ms. Shuchita Kishore, the Consul General of India in Frankfurt, inaugurated the India Pavilion at the K-Fair 2025 in Düsseldorf on 9th October 2025. The Consul General appreciated India's growing capabilities in the global plastics sector and interacted with participating Indian exhibitors. PLEXCONCIL coordinated the Consul General's visit and interactions.
