To,

All Members of Plexconcil/COA Members

Dear Sir/Madam,

Subject: Regarding invitation to attend the scheduled virtual meeting regarding pilot launch of Bharat Aayat Niryat Lab-Setu on 4th Nov. 2025 at 10.30 am.

With reference to the Trade notice No. no. 14/2025-26 dt. 27.10.2025 issued by DGFT a virtual meeting has been scheduled on 04.11.2025 (Tuesday) at 10:30 AM to demonstrate the features of LabSetu-a digital platform that unifies testing and inspection agencies across the country under a single window.

The Objective of this initiative is to digitally link testing laboratories across India with exporters and importers for easy access to accredited testing facilities, enhance transparency and reduce delays in quality certification and compliance.

The portal will list labs accredited by NABL (National Accreditation Board for Testing and Calibration Laboratories) and other approved bodies. Exporters can search labs by product category, location, or test type, and submit testing requests online.

Interested members are required to confirm their participation at shilpa@plexconcil.org till **03.11.2025 (12.00 noon)** so that we can share with you the meeting link accordingly.

Please refer to the trade notice here:

We look forward to your active participation in this important initiative.

Best Regards

Bharti Parave
