

Hybrid Buyer Seller Meeting with Guatemala Hosted by the Embassy of India, Guatemala

The Embassy of India in Guatemala City, in collaboration with the Plastics Export Promotion Council of India (PLEXCONCIL), organized a Hybrid B2B Meeting (Buyer Seller Meeting) on the Plastics Sector on 29 October 2025. The event brought together around 30–40 participants from Guatemala, including Guatemalan importers, distributors, and representatives of Indian plastics manufacturers. Approx 45 Indian companies participated virtually.

The meeting was inaugurated by H.E. Mr. Raj Kumar Singh the Ambassador of India to Guatemala, who welcomed all participants and highlighted the growing trade and investment linkages between India and Guatemala. The Ambassador underlined that the

plastics industry is one of the most dynamic sectors of India's manufacturing economy, known globally for innovation, quality, and competitive pricing, and expressed confidence that the B2B platform would help identify new opportunities for collaboration.

The event featured online participation from Indian exporters representing various segments of the plastics industry — including raw materials, packaging, films, moulded products, pipes and fittings, engineering plastics, and finished consumer goods. On the Guatemalan side, industry representatives, importers, and business chambers participated in person, holding brief interactions with their Indian counterparts.

The Embassy of India reaffirmed its commitment to supporting trade promotion initiatives in collaboration with Indian export
