To,

All Members of Plexconcil/ COA Members

Dear Sir/Madam,

Subject: Request for Inputs on supply chain dependencies on China/Asia

We wish to inform you that the Ministry of Commerce and Industry is reviewing sector-wise India's supply chain dependencies on foreign countries, especially China or other Asian countries to build domestic manufacturing capacity.

In order to facilitate this assessment, members are requested to share inputs on:

- HS Code and Description of products imported from China, Asia and other countries
- Whether these products are: raw materials, intermediate goods or finished goods
- Extent of import dependency (% share) on these countries for these products?
- Does India have production capacity in these products (whether same grade and quality is available in local market?)
- Your policy suggestions to reduce dependence on foreign sources of imports

You may share inputs latest by 5 pm, Monday, December 22, 2025

to: bharti@plexconcil.org; shilpa@plexconcil.org so that we can consolidate the same for submission to the Department of Commerce.

Best regards,

Bharti Parave

Dy. Director (Trade & Policy)

The Plastics Export Promotion Council
