Dear Sir/Madam,

Subject: EPCG Scheme - Relief in Average EO in terms of the para 5.17(a) of Hand Book of procedures (HBP) of FTP,2023.

We wish to inform you DGFT has issued a Policy Circular No. 10/2025-2026 dated 26th February 2026 regarding EPCG Scheme. As per para 5.17(a) of the Hand Book of Procedures (HBP) of FTP, 2023, relief in Average Export Obligation (EO) will be provided to exporters in sectors where total exports have declined by more than 5% compared to the previous year. Accordingly, the Average EO for 2024-25 will be reduced proportionately to the decline in exports of the concerned sector/product group.

This implies that the sector/product group that witnessed such decline in 2024-25 as compared to 2023-24 would be entitled to this relief.

As per the circular, Joint Director General of Foreign Trade has requested All Regional Authorities and Regional Offices of DGFT to take a note of it and do the needful as mentioned in the said policy circular.

Members are requested to refer to the official policy circular, which includes the list of product groups showing the percentage decline in exports during 2024-25 as compared to 2023-24, annexed therein.
