Dear Sir/Madam,

Subject: Difficulties currently being faced by exporters in the plastic industry

We wish to inform you that the Directorate General of Foreign Trade (DGFT) has requested members to provide inputs and feedback highlighting the difficulties currently being faced by exporters in the plastic industry due to ongoing geopolitical disruptions affecting trade and logistics.

Members are also requested to suggest specific measures that may be considered by the Government to facilitate exporters and mitigate the impact of the prevailing challenges on exports from this sector.

In response to our earlier **Circular No. 936 dated 10.03.2026** regarding assistance required to mitigate risks arising from the West Asia crisis, inputs have already been submitted to the department.

Therefore, if members are currently facing any additional issues related to the West Asia crisis, they are kindly requested to share them at bharti@plexconcil.org and shilpa@plexconcil.org by **14.03.2026 (EOD)**.

Your valuable inputs will enable the Department to examine the issues thoroughly and consider appropriate interventions.

With regards,

Bharti Parave

Dy. Director (Trade and Policy)
