Dear Sir/Madam,

Subject: Activation of the Green Corridor between the Emirate of Dubai and the Sultanate of Oman for Diverted Shipments via Land Routes.

We wish to inform that Dubai Customs has issued Notice No. 04/2026 dated 14.03.2026 regarding Activation of the Green Corridor between the Emirate of Dubai and the Sultanate of Oman for Diverted Shipments via Land Routes.

The 'green corridor' provides for movement of shipments/cargo destined for Jebel Ali Port which have been diverted to Omani Ports due to the current situation. It provides for transportation of containers directly to Jebel Ali via bonded trucks with sealed containers. Similar framework has been provided for air cargo shipments destined for Dubai Airports diverted to Omani Airports. The bonded trucks with sealed containers will pass through Al Wajajah custom border point in Oman to Hatta custom border point in Dubai.

The corridor is available to all goods except the commodities mentioned in the annexure here:
