All Members of Plexconcil/ COA Members

Dear Sir / Madam,

Subject: Request for Member Inputs on Packaging Sector Challenges & Food-Grade Polymer Requirements Due to West Asia Situation

As per our meeting with O/o. DCPC today, all members engaged in the packaging sector, particularly those manufacturing packaging materials for essential and perishable goods and food-grade items such as bread, milk, edible oil, grains, pulses, fruits, vegetables, and other perishable products, are requested to share any concerns faced during manufacturing and supply chain operations, in view of the ongoing situation in West Asia.

In addition, members are specifically requested to provide details of their requirement of key food-grade polymers used in such packaging applications. The details should include:

- Type of polymer required (e.g., Low-Density Polyethylene (LDPE), Linear Low-Density Polyethylene (LLDPE), High-Density Polyethylene (HDPE), Polypropylene (PP), Biaxially Oriented Polypropylene (BOPP), Polyethylene Terephthalate (PET), etc.)
- Application/product (e.g., milk pouches, bread packaging, oil packaging, perishable food packaging, etc.)

Members are requested to send their inputs as per the below format :-

1. Company name :
2. Finished goods name (HS code) :
3. Production capacity per day :
4. Capacity consumption:
5. Name of Raw material needed per day (HS code) :
6. Present inventory of Raw material :
7. Domestic availability of Raw material :

8. Alternet supplier of raw material :

9. Remark :

The inputs provided will help assess current requirements and facilitate appropriate support.

Members are requested to submit the above details at last by 28th March 2026 to the bharti@plexconcil.org; shilpa@plexconcil.org

We appreciate your cooperation.

With Best Regards

Bharti Parave
