THE PLASTICS EXPORT PROMOTION COUNCIL

(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Ref. No.: Plex/Cir/972

Date : 01.04.2026

To,

All Members of Plexconcil/COA Members

Dear Sir/Madam,

Subject: Request for ideas/ suggestions on Regional Industrial Specialization and export Enhancement in India.

We wish to share an important update regarding National Industrial Corridor Development Programme which is India's most ambitious infrastructure programme aiming to develop new industrial cities as 'Smart Cities' and converging next generation technologies across infrastructure sectors.

NICDC is essentially **India's backbone for export-driven industrial growth**. By combining infrastructure, logistics, and investment facilitation, it helps exporters reduce costs, meet global standards, and attract investment. For businesses in Mumbai and across India, NICDC's corridors and clusters are strategic gateways to international markets.

Impact on Exporters

- **Lower logistics costs** through dedicated freight corridors and smart connectivity.
- **Cluster-based specialization** to align Indian cities with global manufacturing hubs.
- **Investment-ready zones** that provide modern facilities, certification centers, and R&D support.
- **Opportunities for MSMEs** to integrate into global supply chains.

Completed projects:

1. Dholera Special Investment Region, Gujarat - 1519 acre (industrial), 1100 acre (mixed use)
2. Shendra Bidkin Industrial Area, Maharashtra - 3534 acre (industrial), 2521 acre (mixed use)
3. Integrated Industrial Township, Greater Noida, Uttar Pradesh - 332 acre (industrial), 111 acre (mixed use)
4. Integrated Industrial Township, Vikram Udyogpuri, Madhya Pradesh - 521 acre (industrial), 37 acre (mixed use)

Projects nearing completion:

1. Krishnapatnam Industrial Area - 2006 acres
2. Tumakuru Industrial Township - 1736 acres
3. Integrated Multi Modal Logistics Hub, Nangal Chaudhary, Haryana - 886 acres
4. Multi Modal Logistics Hub, Dadri, Greater Noida, Uttar Pradesh - 825 acres

Upcoming Projects:

1. IMC Khurpia, Uttarakhand - 1,002 acres
2. IMC Rajpura Patiala, Punjab - 1,099 acres
3. IMC Hisar, Haryana - 2,988 acres
4. IMC Agra, Uttar Pradesh - 1,058 acres
5. IMC Prayagraj, Uttar Pradesh - 352 acres
6. IMC Gaya, Bihar - 1,670 acres

7. Dighi, Maharashtra - 6,056 acres
8. JPMIA, Rajasthan - 1,578 acres
9. Kopparthi, Andhra Pradesh - 2,596 acres
10. Orvakal, Andhra Pradesh - 2,621 acres
11. Zaheerabad, Telangana - 3,245 acres
12. Palakkad, Kerala - 1,710 acres

For more details, please visit the official website: <https://nicdc.in/>

In order to ensure the success of these 20 projects, NICDC would like to learn from similar initiatives implemented across the world from the trade.

It has been observed that, in leading manufacturing nations, different cities and regions are developed as sector-specific centres for the manufacturing of specific goods.

In view of this, we request our member exporters to share their suggestions and ideas for implementing similar models across India, particularly with regard to the location of NICDC's greenfield industrial smart cities.

We request you to kindly share your suggestions and ideas at shilpa@plexconcil.org latest by 10.04.2026

With regards

Bharti Parave (Trade and Policy)

PLEXCONCIL
