**THE PLASTICS EXPORT PROMOTION COUNCIL**

(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

**Ref No:** Plex/Cir/171

**Date:** 15.05.2026

To  
All Plexconcil / COA Members,

Dear Sir/Madam,

**Subject: Invitation for Expression of Interest (EOI) – Overseas Warehousing under FLOW Scheme**

**As members are aware, the Office of DGFT, vide Trade Notice No. 28/2025-26 dated 20th February 2026, has issued guidelines under the FLOW (Facilitating Logistics, Overseas Warehousing and Fulfilment) initiative under the Export Promotion Mission (EPM) – Niryat Disha.**

The objective of the FLOW Scheme is to support Indian exporters, particularly MSMEs, in overcoming logistics-related barriers in international markets by facilitating access to overseas warehousing, fulfilment, distribution, and customer service infrastructure. The initiative aims to improve delivery efficiency, reduce logistics costs, and enhance market responsiveness for Indian exporters.

Considering the evolving global trade environment and the challenges faced by exporters in international markets, Plexconcil is exploring the possibility of establishing an **Overseas Warehousing Facility** through third-party arrangements in key foreign markets for the benefit of the plastics export sector.

Government support under this scheme will be available for

- Lease or rental charges
- Common facility costs
- Operational expenses directly attributable to the approved project

*(Capital expenditure is excluded from assistance.)*

Support may be provided for a maximum period of **3 years**. Furthermore, the support will be as per the Scheme.

**In this regard, Plexconcil invites interested member exporters to share their valuable inputs and Expression of Interest (EOI) to help us assess the feasibility and strategic direction of this initiative. Members are requested to consider the optimal utilisation of India's existing FTAs while providing their suggestions.**

Please send your inputs via google form:

Your feedback and participation are extremely important in helping Plexconcil take an informed and strategic decision for the benefit of the industry.

This initiative aims to create a strong collective platform for Indian exporters to showcase India's strengths in the plastics sector globally, while further strengthening the vision of **"Make in India"**.

Interested members are requested to kindly send their inputs/EOI on or before **18th May 2026**.

We look forward to your enthusiastic participation and continued support.

Regards

Sribash Dasmohapatra
