Subject: Inputs for Enhancing Exports and Reducing Import Dependence

Dear Member,

The Department of Commerce, Government of India has sent a list of 17 Plexconcil products classified under four categories - High Trade Deficit, High Import, High Trade Surplus and High Exports. Inputs have been sought from the industry on measures to reduce import dependence and promote exports. The list of these products can be accessed from:

Members may share suggestions on the following:

- i) High Trade Deficit products:** Steps to reduce imports and strengthen domestic manufacturing
- ii) High Import – Negligible Export:** Steps to build domestic production capacity and promote exports
- iii) High Trade Surplus:** Steps to further expand exports and access new markets
- iv) High Export – Negligible Import:** Steps to maintain competitive position and increase value addition

Members may share their inputs to: bharti@plexconcil.org, research@plexconcil.org before 5:00 pm, Tuesday, May 19, 2026 for timely submission to the ministry.

With regards,

Team Plexconcil
