Dear Sir/Madam,

We are pleased to invite you to an urgent and critical webinar on leveraging the recent legal developments surrounding U.S. tariffs. This session is highly relevant for all organizations involved in exports to the U.S.

The U.S. Supreme Court's decision in Learning Resources Inc. v. Trump (Docket No. 24-1287) represents a pivotal shift regarding tariffs imposed under the International Emergency Economic Powers Act (IEEPA). The ensuing rollback of these tariffs is prompting businesses to reassess prior duty payments and explore significant refund opportunities.

This webinar, titled "**Unlocking Duty Refund Opportunities of IEEPA Tariffs**," will provide a disciplined, data-driven approach on how to:

- 1. Navigate complex CBP procedures.**
- 2. Evaluate eligibility across last year's transactions.**
- 3. Manage heightened audit and litigation exposure.**

4. Address complexities arising from retrospective applicability, filing deadlines, and interactions with CBP.

Speakers –

The session will be conducted by experts from LKS Attorneys:

- 1. Adv. Disha Bhandari, Partner, LKS Attorneys**
- 2. Ad. Saurabh Malpani, Associate Partner, LKS Attorneys**
