THE PLASTICS EXPORT PROMOTION COUNCIL

(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Ref: Plex/Cir/201

Date: 01 June 2026

To

All Members of Plexconcil / COA Members

Dear Sir/Madam,

Subject: Electronic filing and Issuance of Preferential Certificate of Origin (CoO) under India-Oman Comprehensive Economic Partnership Agreement (India-Oman CEPA) with effect from June 01, 2026.

Ref: DGFT Trade Notice No. 06/2026-2027 dated 29 May 2026

We wish to inform you about the trade notice issued regarding electronic filing and Issuance of Preferential Certificate of Origin (CoO) under India-Oman Comprehensive Economic Partnership Agreement (India-Oman CEPA). This certificate acts as the official legal instrument proving product origin, enabling importers to claim steep duty concessions at landing ports.

As per the agreed terms of the India-Oman CEPA, eCOO will be available via the "Certificate of Origin" service on Trade Connect ePlatform for issuance on the basis of an authorised agency.

Key points:

1. Applications must be processed via the unified Trade Connect ePlatform. Under the "Certificate of Origin" module, users must explicitly choose "India Oman CEPA (Agency Issued)
2. The list of authorised agencies as per the terms of the agreement and duly notified will be available for selection by applicants.
3. On submission of the completed application and approval by the authorised agency, an "Electronic Copy" of the eCOO with QR code and digital signature will be generated by the system.
4. The "Electronic Copy" shall bear the image of the signature of the issuing officer as well as the stamp of the issuing agency which can be downloaded and utilised by the applicant.
5. Approved certificates feature an automatically generated QR Code, a primary digital signature, an image of the issuing officer's physical signature, and the official stamp of the authorised agency.

Members are requested to go through the official notification to refer to the guidelines followed by applicants:
