Dear Sir/Madam,

Subject: Regarding - Update on Anti-Dumping Investigation Concerning Imports of Titanium Dioxide from China PR

This is to inform members that the anti-dumping investigation concerning imports of **Titanium Dioxide originating in or exported from China PR** is currently under **remand proceedings** before the Directorate General of Trade Remedies (DGTR).

Key developments are as follows:

- The original anti-dumping investigation was initiated on **28 March 2024**.
- DGTR issued its **Final Findings** on **12 February 2025**.
- Subsequently, the matter was remanded for reconsideration and remand proceedings commenced on **17 October 2025**.
- DGTR issued a **Disclosure Statement** on **12 May 2026**, setting out the essential facts and proposed conclusions in the remand proceedings.
- The deadline for submission of comments by interested parties was extended up to **26 May 2026**
- The time limit for all interested parties to offer comments on the disclosure statement is further extended till **16th June 2026**.
- The final remand findings are presently awaited.

Members may note that the conclusion of the remand proceedings is expected to bring regulatory certainty to the Titanium Dioxide market and assist industry stakeholders in making informed procurement and business decisions.
