Dear Member,

Greetings from Plexconcil!

The Department of Commerce, Ministry of Commerce & Industry, is assessing the feasibility of increasing domestic production of 15 plastic products for which India currently has significant import dependence.

The Department has sought industry inputs on the long-term viability of domestic manufacturing, demand potential, technology and raw material availability, cost competitiveness, and other relevant factors.

Members are requested to share their inputs on the feasibility of domestic production of these products in the prescribed format available at the link below:

You are requested to send inputs to bharti@plexconcil.org; research@plexconcil.org on or before 3 pm, Tuesday, 16 June 2026.

We look forward to your valuable input.

With warm regards,

Plexconcil
