THE PLASTICS EXPORT PROMOTION COUNCIL

(Sponsored By The Ministry Of Commerce & Industry, Deptt. Of Commerce, Government Of India)

Ref. Plexh/Cir/236

Date: 17 June 2026

To,

All Members of Plexconcil/COA

Dear Sir/Madam,

Subject: Seeking Industry Inputs on FMCS (BIS) and International Regulatory Compliance Regimes

We wish to draw your attention to an important communication received from the Department of Commerce (TNM Division) regarding the Grant and Renewal of BIS Certification Mark Licences under the Foreign Manufacturer Certification Scheme (FMCS).

The FMCS enables foreign manufacturers to obtain a BIS licence for the use of the Standard Mark on products covered under mandatory BIS certification requirements before exporting such products to India. The scheme plays a significant role in ensuring imported goods comply with Indian quality and safety standards. The Competent Authority has desired information on issues relating to the Grant/ Renewal of BIS Certification Mark Licences under Foreign Manufacturer Certification Scheme (FMCS) faced by Indian importers.

Furthermore, kindly share the inputs on existing regulatory and compliance regimes in UK, US, UAE, EU, Russia, Canada, New Zealand along with the challenges faced by member exporters.

We request you to submit your inputs by email to bharti@plexconcil.org ; shilpa@plexconcil.org no later than **17 June 2026, 5:00 PM**.

Your timely feedback is essential for the Council to effectively represent industry concerns before the Government.

With regards,

Bharti Parave

Deputy Director (Trade and Policy)
