Dear Sir/Madam,

Subject: Request for Inputs – Challenges Faced by Indian Exporters Regarding International Testing Requirements

The Department of Consumer Affairs, Ministry of Commerce is reviewing the international testing and accreditation challenges encountered by Indian exporters in non-food sectors.

To present a consolidated and actionable report to the Ministry, we request your valuable feedback and specific inputs regarding the testing standards required for your products in overseas markets.

Please share your feedback on the following specific points: *(Please mention 8-digit HS Code)*

- Testing requirements - product-wise/ country-wise.
- Are these requirements specified under a government regulation/ order or specified by private entities/ companies.
- Whether samples are tested abroad or in India?
- If in India, specify the labs whose reports are accepted.
- Suggestions to improve lab infrastructure/ accreditation to meet the challenges being currently faced.

Please share your feedback with bharti@plexconcil.org and shilpa@plexconcil.org on or before **18th August 2026**.

Regards

Bharti Parave
