Dear Sir/Madam,

Subject: Seeking Members' Inputs for the meeting on Chemicals & Petrochemicals Sector

PLEXCONCIL wishes to inform its members that the Department of Chemicals & Petrochemicals, Ministry of Chemicals & Fertilizers, in collaboration with Invest India, is hosting a meeting for promoting investment in the chemicals and petrochemicals sector. This is part of a strategic roadmap aiming for a USD 1 Trillion Indian Chemicals Sector by 2040.

India ranks as the sixth-largest producer of chemicals globally and fourth in Asia, with exports from the sector at about US\$46 billion for FY 2025-26, accounting for nearly 10.44% of India's total merchandise exports. In view of the prevailing geopolitical dynamics, global chemical companies are actively seeking to invest in emerging markets like India to diversify their supply chains. The Indian Chemical and Petrochemical sector has emerged as a prominent destination for alternative manufacturing solutions.

The Roundtable will bring together senior Government leadership and CEOs of leading global and Indian chemical companies. It will offer a strategic platform to discuss key policy reforms, infrastructure needs, and investment frameworks.

In this regard, **PLEXCONCIL members are requested to share their inputs/comments** on the above matters, which will be considered for discussion with the Department of Commerce during the meeting.

Members are requested to share their inputs by **17.08.2026**(today 6pm) to bharti@plexconcil.org or shilpa@plexconcil.org to facilitate timely consolidation and submission.

Best Regards

Bharti Parave

Dy. Director (Trade and Policy)
