Subject: Inputs on trade issues in export potential products to UK

Dear Member,

Greetings from Plexconcil!

The Department of Commerce, Govt of India has compiled a list of 28 top export potential products to the UK, with which India has implemented a free trade agreement (CETA) in July this year. The list of these products may be accessed from:

https://docs.google.com/spreadsheets/d/1eecAwUZ7ELMlTfiF03mJ5al1bsuNaFKu/edit?usp=sharing&ouid=108218688201736716589&rtpof=true&sd=true

The Ministry has sought industry feedback on whether they face any quality standards, certification or labelling related challenges in these products in the UK market.

Members may review the list of these products from the above following link and share:

- Applicable technical regulations, standards and conformity assessment requirements in the UK.
- Mandatory testing, certification, labelling and other compliance requirements.
- Challenges such as additional costs, delays or market access barriers in UK.
- Suggestions for addressing the identified issues, including possible government-to-government engagement.
- Details of any other products of priority may also be shared.

Members may share inputs by mentioning their HS Codes to bharti@plexconcil.org ; sanjay@plexconcil.org latest by 4 pm, Friday, November 27 2026.

Best regards

Bharti Parave
