# To protect your harvest, mulch films need to last an entire season.

Adverse environmental conditions can lead to cracks and tears in mulch film over time. Our masterbatches can solve these problems.

We use a combination of silver, black, UV and Anti-Oxidant masterbatches for:

High Sunlight Reflectance

High Opacity

Chemical & Pesticide Resistance

Our high-quality masterbatches also offer smooth finish and high gloss, meaning your products look fantastic!

**Contact us for Mulch Films or GeoSynthetics needs!**

**"IN HIS ADDRESS, SHRI PIYUSH GOYAL URGED THE INDUSTRY TO TAKE DECISIVE STEPS TOWARDS 100% REUSE AND RECYCLING, POSITIONING INDIA TO BECOME A GLOBAL LEADER IN CIRCULAR AND ENVIRONMENTALLY RESPONSIBLE PLASTICS MANUFACTURING."**

**16th November 2025**, stands as a defining milestone in India's plastics export story. On this historic day, PLEXCONCIL had the honour of welcoming **Shri Piyush Goyal, Hon'ble Minister of Commerce & Industry**, as **Chief Guest at the Export Excellence Awards and Platinum Jubilee Celebrations** in Mumbai, marking **70 years of the Council's commitment to driving India's global trade presence**. During the ceremony, the Hon'ble Minister handed out awards to the distinguished exporters and encouraged them to strive harder towards increasing India's export share globally. A total of 148 Export Excellence Awards were presented for FY 2023-24 and 2024-25, celebrating outstanding performance and the growing global influence of Indian exporters.

In his address, Shri Piyush Goyal shared a bold and forward-looking vision for the future of the sector. He encouraged the industry to work towards achieving a domestic market size of USD 100 billion and export revenues of USD 25 billion over the next five years — a goal that reinforces the capability and potential of Indian manufacturers. With enhanced quality standards, technology adoption, value-added production, sustainability-driven growth and deeper international engagement, these targets are both pragmatic and achievable.

**Sustainability formed a powerful cornerstone of the Minister's message.** He urged the industry to take decisive steps towards **100% reuse and recycling**, positioning India to become a global leader in circular and environmentally responsible plastics manufacturing. As the world embraces greener production and circular economic models, this direction opens new opportunities for innovation, investment and global collaboration.

The Hon'ble Minister also highlighted the **promising trade landscape shaped by expanding FTAs with the UK, EFTA, EU, Oman, Bahrain and New Zealand**. These partnerships will enable exporters to diversify into new markets, strengthen supply chains and deepen India's integration into global trade networks.

Reflecting on the pandemic years, Shri Goyal commended the sector for its resilience and its ability to rapidly support national needs by supplying medical essentials, PPE components, packaging materials and critical goods. This demonstrated **India's capacity to deliver with speed, responsibility and scale, even in the most challenging times**.

As we look ahead, the Indian plastics industry stands at a moment of extraordinary opportunity. With innovation as its backbone and sustainability as its guiding direction, the sector is poised to expand India's footprint in global trade. PLEXCONCIL remains committed to strengthening this journey — empowering exporters, accelerating market access and advancing India's global leadership in plastics. The road forward is promising, and together, we will shape the future.

Warm regards,  
**Vikram Bhaduria**  
Chairman, PLEXCONCIL

## EXHIBITIONS, BSM & SHOWS

### 16th November 2025: Plexconcil's Platinum Jubilee Celebration & Export Excellence Awards Ceremony 2023-2025

The Council's Platinum Jubilee Celebration & Export Excellence Awards Ceremony 2023-2025 was held on Sunday, 16th November 2025, at The Leela, Mumbai. **PLEXCONCIL has completed a glorious 70 years** of dedicated service to the exporting fraternity of the Indian plastics industry. Over these seven decades, our Council has grown from humble beginnings in 1955 to achieving an outstanding export milestone exceeding USD 12.5 billion a collective success we proudly share with all our esteemed members.

**Shri Piyush Goyal, Minister of Commerce & Industry**, graced the Export Excellence Awards Ceremony and Platinum Jubilee celebrations of PLEXCONCIL in Mumbai. The occasion marked a significant milestone as the Council completed 70 years of service to India's plastics export industry. The Hon'ble Minister presented 148 Export Excellence Awards to distinguished exporters for their achievements during 2023-24 and 2024-25.

In his special address, Shri Piyush Goyal urged the plastics industry to take a decisive leap towards ensuring 100% re-use and recycling of plastics, aligning with India's national sustainability goals and the rising global demand for circular and environmentally responsible products.

The Hon'ble Minister emphasised that India has the capacity and capability to emerge as a world leader in sustainable plastics manufacturing, and called on the industry to invest in advanced technologies, innovative materials, and responsible production practices that reflect India's commitment to a greener future.

Hon. Speaker of the Maharashtra Legislative Assembly, Shri Rahul Narwekar, also graced the Platinum Jubilee Ceremony of The Plastics Export Promotion Council in Mumbai and appreciated PLEXCONCIL's seven-decade contribution in positioning India as a global hub for plastic exports and acknowledged the sector's vital role in driving innovation, employment, and international competitiveness. The Hon. Speaker also commended the Council's commitment to advancing India's global trade ambitions, in line with the nation's roadmap towards a USD 5 trillion economy.

Shri. Vikram Bhaduria, Chairman of PLEXCONCIL, expressed profound gratitude to the Hon'ble Minister and congratulated all award winners. He noted that PLEXCONCIL's 70-year journey reflects the pioneering spirit of Indian exporters who have built a global presence across 200+ markets.

Shri. Sribash Dasmohapatra, Executive Director of PLEXCONCIL, thanked the Ministry of Commerce & Industry for its continued support and reaffirmed the Council's commitment to enabling exporters through market intelligence, global trade fairs, delegations, and capacity-building initiatives.

The event concluded with a vote of thanks by Shri. Sachin Shah, Vice-Chairman, Plexconcil with strong sense of pride, optimism, and renewed ambition as industry leaders pledged to work together to position India as a global powerhouse in plastics manufacturing and exports, carrying forward PLEXCONCIL's seven-decade legacy into a new era of sustainability, quality, and global leadership.

## ★ COUNCIL ACTIVITIES

### 25th November 2025: BSM in Moscow, Russia | Eastern Region

Plexconcil, with the support of the Embassy of India in Russia and PlastIndia Foundation, organized a power packed Buyer Seller Meet (BSM) in Moscow, along with an exclusive promotion of the Plexconnect RBSM @ PlastIndia 2026 — bringing India and Russia's plastics trade ecosystem even closer! The event began with an inspiring inaugural address by Mr. Rohit Nema, Second Secretary (IFS), Embassy of India, Moscow, who highlighted the growing synergy and strengthening bilateral trade ties between both nations. Mr. Nilotpal Biswas, Regional Director, Plexconcil, extended a warm welcome to all participants and delivered an insightful presentation on the dynamic landscape of India-Russia plastics trade, setting the tone for exciting opportunities ahead.

## MEETINGS WITH VARIOUS STAKEHOLDERS

### 4th November 2025: Review of SWIFT Integration Status Update and Action Points | Western Region

The meeting was held under the chairmanship of Commerce Secretary (CS) on National Committee of Trade Facilitation (NCTF) regarding integration of Partner Government Agencies (PGAs) with SWIFT 2.0. The meeting holds the discussion to bring Services and e-commerce into its trade facilitation framework and include it in the Action Plan for bringing all Partner Government Agencies (PGAs) into SWIFT 2.0 portal in a timebound manner.

Attendees: Mr. Nilotpal Biswas (Regional Director) and Ms. Bharti Parave, Deputy Director (Trade & Policy)

### 4th November 2025: Meeting on Pilot launch of Bharat Aayat Niryat Lab Setu | Western Region

The meeting was scheduled by EGTF Division, Directorate General of Foreign Trade demonstrating Pilot launch of Bharat Aayat Niryat LabSetu - a digital platform that unifies testing and inspection agencies across the country under a single window.

Attendees: Ms. Bharti Parave, Deputy Director (Trade & Policy)

### **12th November 2025: PlastIndia 2026 Launch Function in Kolkata | Eastern Region**

The PLASTINDIA 2026 Kolkata Launch, brought together key industry leaders along with the esteemed presence of Mr. Janab Firhad Hakim, Hon. Mayor of Kolkata and Minister of Urban Development & Municipal Affairs, Govt. of West Bengal. Mr Nilotpal Biswas, RD(East) represented the Council at this program.

### **12th November 2025: National Seminar/Workshop on Business Opportunities for MSMEs | Western Region**

MSME-DFO, Ahmedabad, Ministry of MSME, Govt of India in association with Bilimora Industries Association organized a National Seminar/Workshop on Business Opportunities for MSMEs on 12th November, 2025 at AC Choksi Conference Hall, ASPI Community Building, GIDC, Anyaliya at Bilimora, District- Navsari. Plexconcil was invited to take a session during this workshop. On behalf of Plexconcil, Mr Naman Marjadi from Regional Office, Ahmedabad gave a Presentation on Overview of India's Plastics Exports & Support Provided by Plexconcil.

### **19th November 2025: Stakeholder consultation meeting regarding the Export Promotion Mission announced in the Union Budget 2025-26 | Western Region**

The meeting under the chairmanship of by Sh. Deepankar Aron, Joint Secretary, DCPC was held regarding the discussion of approved Export Promotion Mission (EPM) proposed in Union Budget 2025-26.

19. Submission of inputs to TBT/ TRIPS Desk and GTP Wing, DoC for 9th India-Myanmar Joint Trade Committee (JTC) Meeting.

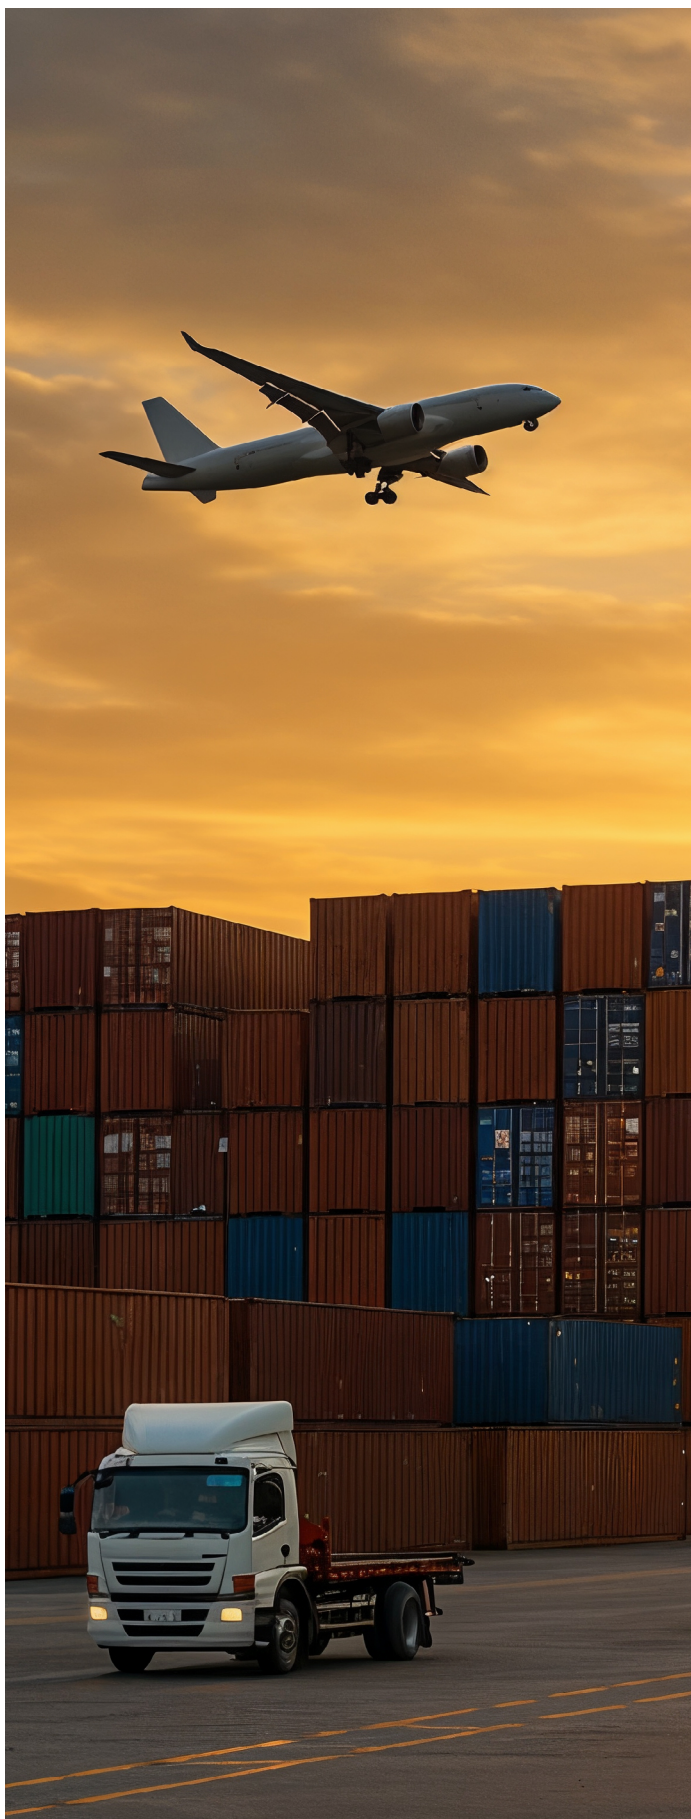

## SUMMARY OF EXPORTS

Export of plastic products declined 15.1% to USD 968.9 million in October 2025 from USD 1141.9 million in the year ago month, registering the second consecutive month of contraction in the current financial year because of US tariff headwind. Export of value added plastics posted 14.0% decline, while shipment of plastic raw materials contracted 21.2%. On the other hand, export of Human Hair & Related Products fell 2.8% because of lower shipment to USA and weak demand in Paraguay.

Miscellaneous products is the only category which showed positive growth in exports (15.4%) during the month.

On a cumulative basis, Plexconcil exports grew 1.5% to USD 7375.8 million in April-October 2025 from USD 7264.8 million in the year ago period.

**DCS INTERNATIONAL TRADING CO.**

**100% INDIAN HUMAN HAIR**

**"THREE STAR EXPORT HOUSE"**

RECOGNIZED BY THE MINISTRY OF COMMERCE  
& INDUSTRY, (GOVT. OF INDIA)

### **Mr Prem Kumar Solanki**

**MD & Chairman**

**DCS International Trading Company**

#### **1. The Story of DCS International**

DCS International Trading Company began its journey over 58 years ago with a simple yet powerful vision: to bring the finest Indian human hair products to the world. What started as a modest venture has grown into the largest and leading manufacturer-exporter of premium 100% Indian human hair. Our specialization in Double Drawn, Single Drawn, Remy, and Non-Remy hair has set industry benchmarks. Through decades of dedication, innovation, and customer-centric values, we now supply over 50 tons of high-quality hair monthly to markets across China, Vietnam, Indonesia, HK, Bangladesh, Africa, Europe, and the USA. "

#### **2. Ensuring Quality and Consistency Globally**

Quality is the cornerstone of our operations. We follow rigorous quality control protocols at every stage—from sourcing raw hair to final packaging. Our products undergo multiple rounds of inspection and are crafted using time-honoured techniques blended with modern technology. We adhere to international standards and certifications, and our team is trained to meet the diverse expectations of global clients. Customization for texture, length, and color ensures consistency across markets. "

#### **3. Sustained Success and Plexconcil Recognition**

Receiving export awards from Plexconcil for 25 consecutive years is a testament to our unwavering commitment to excellence. The key to this sustained success lies in our customer-first approach, robust supply chain, and ability to adapt to changing market dynamics. We've built long-term relationships with clients and distributors, and our focus on quality and reliability has earned us trust across continents. "

#### **4. Most Rewarding International Markets**

While every market has its unique value, regions like the China, USA, Nigeria, Ghana, and Vietnam have been particularly rewarding. These markets appreciate the authenticity and craftsmanship of Indian hair. Our ability to offer a wide range of textures and styles tailored to local preferences has helped us thrive. Additionally, our responsiveness and after-sales support have strengthened our presence in these regions.

## ★ INTERVIEW OF INDUSTRY LEADER

### 5. Challenges in International Trade

Navigating international trade has not been without its challenges—ranging from regulatory complexities and customs procedures to currency fluctuations and logistical hurdles. We overcame these by investing in compliance expertise, building strong logistics partnerships, and maintaining buffer inventories. Our agility and proactive communication with clients have helped us turn challenges into opportunities. //

### 6. Upcoming Products and Innovations

We're excited to introduce new lines of hair extensions and closures and other hair products with enhanced durability and styling flexibility. Innovations in packaging and eco-friendly processing are also underway. On the market front, we're exploring expansion into Africa, Latin America and EU, where demand for premium Indian hair is growing. Our R&D team is working on texture-retention technologies and sustainable sourcing practices. //

### 7. Vision for the Next 5-10 Years

Our vision is to solidify DCS International Trading Co. as a global leader in ethical and sustainable hair Industry. Over the next decade, we aim to double our export volume, expand into 10 new countries, and launch a direct-to-consumer platform. We also plan to invest in automation, skill development, and green manufacturing to align with global sustainability goals.

### 8. Advice for Aspiring Indian Exporters

Focus on quality, build trust, and stay consistent. Understand your target markets deeply and invest in compliance and certifications. Branding matters—tell your story with pride. Most importantly, nurture relationships and be adaptable. The global market rewards those who combine tradition with innovation. //

### **PLEXCONCIL CELEBRATES: INDIA'S PLASTICS EXPORT CHAMPIONS RECOGNISING INNOVATION, RESILIENCE & GLOBAL LEADERSHIP AT THE EXPORT EXCEL- LENCE AWARDS 2023-24 & 2024-25**

The Plastics Export Promotion Council (PLEXCONCIL) celebrated the outstanding achievements of India's leading plastics exporters at the Export Excellence Awards 2023-24 and 2024-25.

The event recognised the enterprises and visionaries whose commitment to quality, innovation, and global competitiveness has strengthened India's position in the international plastics market.

Each awardee represented a unique story of resilience and excellence. Their contributions have not only driven export growth but also advanced technology, created employment, and enhanced India's industrial capabilities. Through their efforts, the "Made in India" mark continues to earn global trust for quality, sustainability, and reliability.

From large-scale manufacturers powering global supply chains to MSMEs bringing fresh innovation, the award-winning companies reflect the diversity and strength of India's plastics industry. Despite global economic challenges, they have demonstrated agility, adopted cutting-edge technology, and upheld world-class standards—showcasing the industry's readiness for the next phase of global manufacturing.

Their achievements highlight the immense potential of India's manufacturing ecosystem, built on skilled talent, modern infrastructure, and visionary leadership. These companies set new benchmarks in product excellence and industry best practices, contributing significantly to India's economic growth and global reputation.

PLEXCONCIL takes great pride in honouring these champions of Indian enterprise. The Council remains committed to supporting exporters, facilitating global partnerships, and strengthening India's presence in international markets.

As India moves towards becoming a global manufacturing powerhouse, the awardees of PLEXCONCIL's Export Excellence Awards stand as true ambassadors of this vision. Their success inspires the wider industry to innovate fearlessly, compete globally, and lead with integrity.

Congratulations to all our awardees — the torchbearers of India's export excellence and the driving force behind the nation's growing global influence.

## Your Gateway to Global Markets - Participate at **RBSM Plexconnect 2026 !** Alongside **Plastindia 2026**

### Why Participate at RBSM – Plexconnect 2026 ?

- ▶ Meet 500+ global buyers from 70+ countries (400 buyers already registered from 45+ countries).
- ▶ Pre-scheduled B2B meetings with verified overseas buyers.
- ▶ Expand exports & explore new international markets.
- ▶ Build long-term global partnerships.
- ▶ Perfect entry point for first-time exporters.
- ▶ Connect with top global buyers without leaving India.

### PARTICIPATION FEE:

- ▶ Exhibitors at PlastIndia 2026:  
**₹10,000 + GST**
- ▶ Non-Exhibitors:  
**₹25,000 + GST**

Industry of India,  
Government of India

“ I am delighted to learn that the Plastics Export Promotion Council (PLEXCONCIL) organised the Export Excellence Awards on 16<sup>th</sup> November 2025 in Mumbai.

The event aligns with Hon'ble Prime Minister Shri Narendra Modi ji's vision of strengthening India's manufacturing and export capabilities. Initiatives such as 'Make in India', the promotion of sustainable and circular economy practices in the plastics sector, and efforts to enhance global competitiveness are transforming the industry into a key driver of economic growth. By fostering innovation, encouraging responsible practices, and expanding global outreach, these initiatives have positioned India's plastics sector as a hub of technological excellence and sustainable development.

**Jitin Prasada,**  
Union Minister of  
State for Ministry of  
Commerce &  
Industry and Ministry  
of Electronics &  
Information  
Technology

“ I am delighted to note that the Plastics Export Promotion Council (PLEXCONCIL) is celebrating its Platinum Jubilee, marking 70 years of dedicated service, and organised its Export Excellence Awards on 16<sup>th</sup> November 2025 in Mumbai to honour leading exporters for the years 2023-24 and 2024-25.

Over the years, the Council has encouraged its members to integrate with global value chains and adopt best practices, thereby enhancing the competitiveness and reputation of Indian plastic products in international markets.

The Department of Commerce remains committed to supporting the plastics sector through continuous export facilitation and by creating an enabling environment that strengthens India's position as a trusted global supplier. It is heartening to note that India's plastics exports reached USD 12.5 billion in 2024-25, reflecting the industry's growth, resilience, and commitment to quality.

**Anupriya Patel,**  
Minister of State for  
Health & Family  
Welfare and  
Chemicals &  
Fertilisers,  
Government of India

“ Since its formation in 1955, PLEXCONCIL has played a vital role in nurturing India's plastics sector and enabling it to emerge as a strong contributor to the nation's industrial and export growth. Through its continuous engagement with stakeholders, the Council has promoted quality manufacturing, encouraged innovation, and supported Indian companies in establishing a strong presence in global markets.

India's plastics industry, closely linked with the chemicals and petrochemicals value chain, continues to demonstrate robust growth and technological advancement. The sector's export performance—reaching USD 12.5 billion in 2024-25—reflects the vision, adaptability, and enterprise of our manufacturers.

The Government of India is committed to strengthening the chemicals and petrochemicals ecosystem, expanding domestic capacities, and facilitating greater integration with global value chains. These efforts are in line with the Hon'ble Prime Minister's vision of Atmanirbhar Bharat, aimed at building a self-reliant, resilient, and future-ready India.

**Nivedita Shukla Verma,**  
Secretary, Government of India,  
Ministry of Chemicals & Fertilisers,  
Department of Chemicals &  
Petrochemicals

“ It gives me great pleasure to know that the Plastics Export Promotion Council is celebrating its Platinum Jubilee, commemorating 70 years of dedicated service to India's plastics export sector. The occasion was further enriched by the presentation of the Export Excellence Awards on 16<sup>th</sup> November 2025 in Mumbai, recognising outstanding exporters for the years 2023-24 and 2024-25.

Over the past seven decades, PLEXCONCIL has been instrumental in advancing India's plastics exports. Through its proactive initiatives, the Council has played a pivotal role in promoting India's capabilities as a reliable global supplier of quality plastic products.

It is encouraging to note the steady growth of India's plastics exports, which reached USD 12.5 billion in 2024-25. With the continued efforts of the industry, and the opportunities arising from new Free Trade Agreements being pursued by the Government of India, the sector is well positioned to achieve even greater success in the coming years.

I extend my warm greetings and best wishes to PLEXCONCIL on this landmark occasion and convey my appreciation for its sustained efforts to enhance India's global trade footprint in plastics. I also congratulate all the award recipients and wish them continued excellence in their future endeavours.

**Ajay Bhadoo,**  
IAS, Additional Secretary &  
Director General,  
Ministry of Commerce & Industry,  
Directorate General of Foreign Trade,  
Government of India

“ I extend my warm greetings to the Plastics Export Promotion Council (PLEXCONCIL) on the occasion of its Platinum Jubilee Celebration and Export Excellence Awards 2025, marking 70 years of dedicated service to the Indian plastics industry. This occasion is not only a celebration of PLEXCONCIL's enduring contribution to the Indian economy, but also a recognition of the remarkable achievements of India's exporters.

Over the decades, India's plastics industry has achieved exceptional growth, transforming from a modest domestic sector into a globally competitive industry that delivers innovative, high-quality, and value-added products across the world. Today, India stands proudly as a trusted global hub for sourcing plastics, serving diverse international markets with reliability and excellence. Through its focused initiatives in trade promotion, exporter development, and market diversification, the Council has played a crucial role in expanding India's export footprint and enabling manufacturers to compete on the world stage.

As we look ahead, India's plastics industry will continue to play a pivotal role in advancing the vision of Atmanirbhar Bharat and in achieving the export targets set for the nation. Heartiest congratulations to all the Export Excellence Award winners for their outstanding performance, and to PLEXCONCIL for seven decades of service, leadership, and commitment to advancing India's plastics exports.

**Dr Brij Mohan Mishra,**  
Joint Secretary, EP (CAP),  
Department of Commerce

“ On behalf of the Department of Commerce, Government of India, it gives me immense pleasure to extend our warmest congratulations to PLEXCONCIL (Plastics Export Promotion Council) as they commemorate their 70<sup>th</sup> anniversary.

This remarkable milestone is a testament to seven decades of unwavering dedication, foresight, and relentless effort in promoting and facilitating India's plastics exports across the globe.

We highly commend the Council's efforts in driving the sector's growth to achieve an annual export turnover exceeding USD 12 billion, clearly demonstrating India's rising competitiveness in the global market. Furthermore, PLEXCONCIL has been instrumental in successfully establishing a significant market presence for high-quality Indian plastic products in over 200 countries, showcasing India's manufacturing capability worldwide. The plastics industry is a key pillar of the 'Make in India' initiative, and PLEXCONCIL's efforts are instrumental in achieving the ambitious export targets set for the nation. We recognise and appreciate the proactive role the Council continues to play in supporting MSMEs and adapting to the evolving global trade landscape.

As PLEXCONCIL steps into its 71<sup>st</sup> year, we look forward to continuing our strong partnership, working together to overcome future challenges and achieve even greater heights in the global marketplace.

**Deepak Mishra,**  
Joint Secretary, Government of India,  
Ministry of Chemicals & Fertilisers,  
Department of Chemicals &  
Petrochemicals

“ It is a matter of great pride that the Plastics Export Promotion Council (PLEXCONCIL) celebrated its Platinum Jubilee, commemorating 70 years of dedicated service to the plastics industry, and hosted its Export Excellence Awards on 16<sup>th</sup> November 2025 in Mumbai to felicitate outstanding exporters for the years 2023-24 and 2024-25.

Since its inception in 1955, PLEXCONCIL has been instrumental in driving the growth and global recognition of India's plastics sector. Through its initiatives in trade promotion, export facilitation, and capacity enhancement, the Council has contributed immensely to positioning India as a competitive and trusted partner in the global plastics value chain. Its proactive engagement with industry stakeholders and international markets has paved the way for sustained export growth and innovation.

As India advances towards becoming a global manufacturing hub, the plastics industry has a key role in supporting the vision of Atmanirbhar Bharat by enhancing domestic capabilities, improving value addition, and adopting sustainable production practices.

I convey my warm congratulations to PLEXCONCIL on completing 70 glorious years, and to all award recipients for their exemplary performance. I am confident that the Council will continue to serve as a catalyst for growth, innovation, and export excellence in the years ahead.

## EXPORT EXCELLENCE AWARDS CEREMONY & PLATINUM JUBILEE OF PLEXCONCIL

MUMBAI, NOVEMBER 16TH, 2025

**Shri Piyush Goyal Hon'ble Minister of Commerce and Industry** was the Chief Guest at PLEXCONCIL's Export Excellence Awards Ceremony and Platinum Jubilee celebrations in Mumbai on 16th November, marking a historic milestone as the Council completed 70 years of service to India's plastics export industry. The Hon'ble Minister of Commerce & Industry presented 148 Export Excellence Awards to outstanding exporters for their achievements during 2023-24 and 2024-25.

Shri Piyush Goyal said **"The plastics industry must set its sights high. I urge the sector to work towards achieving a domestic market size of USD 100 billion and export earnings of USD 25 billion over the next five years.** With quality, sustainability, technology and greater global engagement, India's plastics industry can and will reach these milestones." In his special address, he urged the plastics industry to take a decisive leap towards ensuring 100% reuse and recycling of plastics, aligning with India's national sustainability goals and the rising global demand for circular and environmentally responsible products.

The Hon'ble Minister further emphasised that India has the capacity and capability to emerge as a world leader in sustainable plastics manufacturing, and called on the industry to invest in advanced technologies, innovative materials, and responsible production practices that reflect India's commitment to a greener future.

He also highlighted the unprecedented market opportunities created by the Government under the visionary leadership of Prime Minister Shri Narendra Modi, particularly through the **Free Trade Agreements** already concluded and those currently under negotiation with major global economies. He noted that these FTAs open vast new avenues for Indian exporters, offering improved market access, reduced trade barriers, and enhanced competitiveness across regions such as the UK, EFTA, USA, EU, Oman, Bahrain, and New Zealand.

Shri Goyal encouraged exporters to proactively explore these new markets and strengthen India's position in global value chains. Reflecting on the industry's performance during the COVID-19 pandemic, **he praised the plastics sector for demonstrating exceptional resilience and national service by rapidly manufacturing critical products** such as medical supplies, PPE components, packaging materials, and essential goods within the country. This, he said, showcased India's capacity to meet urgent national needs while maintaining global supply commitments.

He further noted that the world today views India as a dependable and trusted global sourcing hub, driven by its quality, reliability, and competitive manufacturing strengths. Shri Goyal urged the industry to build on this momentum by expanding outreach, diversifying product portfolios, and capitalising on the new trade opportunities emerging through India's expanding FTA network.

## ANALYSIS OF INDIA'S PLASTICS EXPORT

OCTOBER 2025

### KEY FINDINGS

Plastic exports posted second consecutive monthly decline during October 2025 as shipments to the major market, USA, was adversely affected by the hike in tariff.

During the month, plastic exports fell 15.1% led by decline in shipment of all product panels, except Miscellaneous items (which managed to post 15.4% growth).

In the Miscellaneous category, there was a sharp growth in export of Optical Fibres and Cables (HS 90011000) because of strong demand in USA (despite the tariff hike).

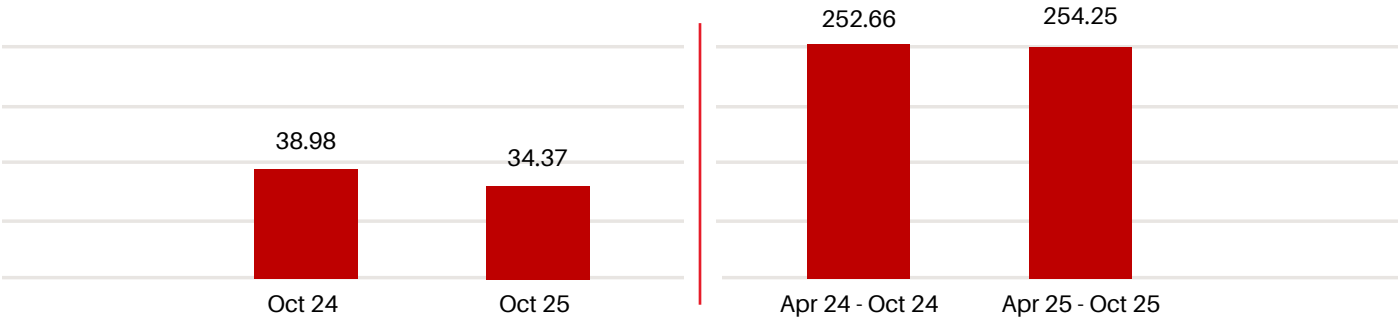

TREND IN OVERALL EXPORTS

India’s merchandise exports posted 11.82% decline to USD 34.37 billion in October 2025 from USD 38.98 billion in the year ago month because of contraction in shipments of major categories such as petroleum, engineering goods, gems & jewellery, chemicals, textiles, handicrafts and most of the agro commodities. The fall in exports comes amidst the imposition of additional tariff by USA, which is the largest market for Indian goods.

During April-October 2025, exports posted 0.63% growth to USD 254.25 billion from the year ago period.

TREND IN PLASTICS EXPORT

During October 2025, India’s plastic exports declined 15.1% to USD 969 million from USD 1,142 million in the year ago month. However, cumulative exports during April-October 2025 posted 1.5% growth to USD 7,376 million from USD 7,265 million in the year ago period as exporters frontloaded shipments to USA ahead of the implementation of the additional US tariff.

## PLASTICS EXPORT, BY PANEL

In October 2025, export of all the product panels witnessed decline except Miscellaneous products and items. Notably, there was sharp fall in exports of films and sheets, raw materials, floorcovering & laminates during the month. Miscellaneous item is the only product panel that managed to post positive growth (15.4%) in October 2025.

### Exports of Consumer & Houseware Products

declined 9.2% led by sharp decline in shipment of tableware and kitchenware (HS 39241090) to USA; USA accounts for 25% of India's total exports of this product. There was also fall in export of other products such as Tooth Brushes (HS 96032100), Other Household and Toilet Articles (HS 39249090) to USA.

**Cordage, Fishnets & Monofilaments** fell 23.4% because of weak demand for Other Cordage (HS 56074900) in USA and UAE. Shipment of Monofilament related plastic products (HS 39169028) was also affected by rise in the US tariff. Exporters also faced decline in order inflows for other related products (HS 39169090) in Bangladesh.

**FIBC, Woven Sacks and Women Fabrics** exports declined 5.7% led by fall in sales of Other Woven Fabrics (HS 54072090), Sacks & Bags (HS 39232990), FIBC products (HS 63053200) to USA, which is the principal market for these products.

**Export of Floor Coverings, Leather Cloth & Laminates** fell 34.6% because of remarkable contraction in shipment of Other Fabrics (HS 59039090) and Other PVC Floorcovering (HS 39181090) to USA. There was also weak demand for Other PVC Coated Fabrics (HS 59031090) in UAE, apart from USA.

**Export of FRP & Composites** contracted 12.6% led by sharp decline in shipment of Other Plastic Articles (HS 39269099) to USA, which is the leading market, accounting for more than 40% of India's exports in this category.

**Export of Human Hair & Related Products** fell 2.8% because of decline in sales of Dressed or Worked Human Hair (HS 67030010) to USA. There is also weak demand for this product in Paraguay, which is one of the top 5 export destinations for this product.

**Medical Items of Plastics** posted 10.7% decline in exports because of fall in sales of Cannulae (HS 90183930), Catheters (HS 90183910) and other products to USA. There was also weak demand for other Medical items such as Blood Transfusion Apparatus (HS 90189032) in Belgium and other markets, besides USA.

**Miscellaneous Products & Items n.e.s.** is the only panel that posted positive growth (15.4%) during the month because of more than 3-fold growth in shipment of Optical fibres and cables (HS 90011000) to USA despite the

hike in US tariff. USA is the leading market as 28% of Indian shipment goes to this market for this product (HS '90011000). There was also strong demand for PVC Belt Conveyor (HS 39269010) in Canada.

**Packaging Items - Flexible, Rigid** witnessed 16% decline in exports because of sharp fall in shipments of Sacks & Bags of Polyethylene (HS 39232100) to USA, which accounts for more than 50% of India's exports. There is also weak demand for this product in UK, which is one of the leading markets. Exporters are also facing weak order inflows from neighbouring countries such as Sri Lanka and Nepal for Bottle Caps and Closures (HS 39235010).

Shipment of **Plastic Films & Sheets** contracted 13.0% in September 2025, mainly due to lower shipment of Flexible plates, sheets of propylene (39202020) to Mexico, Spain, Colombia and other markets. There was also a fall in exports of flexible plates and sheets of PET (39206220) to USA, Italy, Spain, Netherland. Exporters also faced weak demand in USA, UAE, South Africa and other markets for products such as Self-adhesive plates (39199090), Other Plates and Sheets (39219099).

Export of **Plastic Pipes & Fittings** have fallen 21.2% because of decline in sales of Flexible Tubes, Pipes and Hoses (HS 39173100) and Other Tubes Pipes and Hoses (HS 39173990) to USA. There is also weak demand for plastic fittings for Tubes, Pipes and Hoses in Nepal, Saudi Arabia and Bangladesh in recent months. Indian exporters have also faced slowdown in orders from Iraq, Mexico and Oman for Other Tubes and Pipes (HS 39172390).

Export of **Plastic Raw Materials** witnessed 21.2% contraction in October 2025 led by weak demand for Other Acrylic Polymers (HS 39069090) in South Africa, Bangladesh and UAE. There was also decline in export of other raw materials such as Polytetrafluoroethylene (HS 39076190) to UAE. Demand for Polypropylene (HS 39021000) was also weak in key markets such as Turkey, Nepal, Viet Nam and in neighbouring markets such as Sri Lanka and Bangladesh.

Export of **Writing Instruments & Stationery** fell 29.1% in October 2025 led by lower shipment of Felt-tipped and other porous tipped pens (HS 96082000) and Other Ball Point Pens (HS 96081019) to USA. There is also weak demand for Other Ball Point Pens (HS 96081019) in Algeria, Other Ball Point Pens without Liquid Inks (HS 96081099) in Brazil and USA.

**Source:** Ministry of Commerce & Industry, Government of India

**Exhibit 5: Reasons for major decline in plastic products exports**

HS Code	Description	Apr 24- Oct 24	Apr 25 - Oct 25	Reasons for decline
		(USD Mn)		
39021000	Polypropylene, in primary forms	226.9	160.8	Exports have fallen due to sharp decline in shipments to Bangladesh, Sri Lanka and also other major destinations such as Turkey and Portugal.  Also, India is import-dependent for this raw material because of insufficient local production capacity to meet growing domestic demand; As a result, exporters have focused more on meeting domestic demand and have scaled down their exports.
39206220	Flexible & plain sheets & film of non-cellular PET	158.4	114.8	Exports have declined due to lower shipments to USA amidst the hike in tariff. Shipments have fallen also because of lower demand in Italy and Spain, which are the other leading markets for this product.
39076190	Other primary form	189.2	150.8	Shipments have fallen because exporters have chosen to meet growing domestic demand for this raw material.  Even though India is a net exporter of this material, there has been growing demand in processing industries such as automotive, electrical, aerospace, medical devices, food processing, chemical, industrial machinery and so on.  Growing domestic demand is reflected in rising imports, which has more than doubled from USD 99 million in FY23 to USD 223 million in FY25.
59039090	Sacks and bags of polymers of ethylene	124.6	92.7	Exports have fallen because of sharp decline in shipment to USA, which is the leading market for this product. Exports have fallen remarkably in September and October this year. Particularly, in October, exports have fallen nearly 80% to USA.
39014010	Linear low density polyethylene (LLDPE)	101.1	72.4	Exports have fallen because exporters have chosen to meet domestic demand in response to shortage of this raw material in the local market.  There is growing domestic demand for this product, which is reflected in its rising import; Import of this product has grown to USD 214 million in April-October 2025 from USD 158 million in the year ago period.
39202020	Flexible and plain sheets and film of non-cellular polymers of ethylene	139.7	112.6	Exports have fallen because of lower demand in Mexico, Spain and Colombia during this period. Also, the hike in US tariff affected shipments as USA is the topmost destination for this product.
39181090	Other floor coverings in rolls with a width of >= 45 cm, of polymers of vinyl chloride	65.2	39.8	Exports have fallen sharply because of weak demand in USA, especially in the last two months after the imposition of additional tariff. In October 2025, India's exports of this product to USA fell 87%, while it fell nearly 90% in September 2025.

### 1. Cancellation of Specified BIS Notifications

The Central Government has cancelled BIS Certifications on 14 products notified earlier by the Ministry of Chemicals & Fertilizers in order to ease the availability of imported raw materials for domestic manufacturers.

Some of these products are: Terephthalic Acid, Ethylene Glycol, Polyethylene Material for Moulding & Extrusion, Polypropylene (PP) Materials for Moulding and Extrusion and so on.

[Link to the PDF](#)

#### Conclusion:

This measure will ease compliance burden related to quality certification for importers of these raw materials.

### 2. Cabinet approves Export Promotion Mission & Credit Guarantee Scheme

The Union Cabinet chaired by Hon'ble Prime Minister, Shri Narendra Modi has approved the Rs. 25,060 crore Export Promotion Mission (EPM), which will consolidate key export promotion schemes such as Interest Equalisation Scheme (IES) and Market Access Initiative (MAI). Separately, the Union Cabinet has cleared the Credit Guarantee Scheme for Exporters (CGSE) to facilitate credit flow to eligible exporters, including MSMEs.

[Link to the PDF](#)

#### Conclusion:

These measures will help Indian exporters in market diversification, liquidity management, international marketing and branding efforts.

### 3. DGFT issues guidelines for Bharat Aayat Niryat LabSetu

The Directorate General of Foreign Trade (DGFT) has issued guidelines for Bharat Aayat Niryat LabSetu for exporters, and importers. LabSetu is a digital platform integrating testing and inspection agencies across the country under a single window, which will reduce paperwork, manual submissions, delays and increase turnaround times for testing and certification.

[Link to the PDF](#)

#### Conclusion:

This guideline specifies end-to-end workflow, right from registration of applicants, Login Process to submission of sample testing applications.

### 4. Amendment in Para 2.08 of Handbook of Procedures 2023

DGFT has notified the amendments in Para 2.08 of the Handbook of the Procedures 2023 which explains the procedure for application, submission, verification and maintenance of Import Export Code. As per this amendment, the government merged Form ANF-1A with the revised ANF-2A form.

[Link to the PDF](#)

#### Conclusion:

Note that Form ANF-1A stands deleted and ANF-2A is revised with immediate effect.

### 5. RBI's Relief Measures to Exporters

Reserve Bank of India has introduced a slew of relief measures to provide comfort to exporters facing adverse impact of the prevailing global trade disruption. These measures include relaxation in FEMA regulations on maximum time limit for realisation of export proceeds and liberal time frame for shipment of goods against receipt of advance payment. The RBI also provided certain relaxation in repayment terms of Term Loans and Working Capital Loans, credit period for pre-shipment and post-shipment credit and liquidation norms for packing credit.

[Link to the PDF](#)

#### Conclusion:

These measures are intended to provide relief in compliance procedures for exporters facing shipment delays, and maintain continuity in order execution.

### 6. Clarification on Reverse-Graduation due to Revised MSME Classification

The Office of the Development Commissioner (MSME) has issued clarification regarding reverse-graduation of MSMEs based on the revised investment and turnover criteria for classifying MSMEs. Reverse-Graduation refers to the process where enterprises that were earlier classified as larger units under old limits may now qualify as MSMEs under the new, higher limits.

[Link to the PDF](#)

#### Conclusion:

Exporters may take note of this clarification and may regain MSME status if their turnover and investment fall within the revised limit.

### 7. Revised eligibility criteria for registration on “Source from India” service of Trade Connect e Platform

DGFT has issued a trade notice regarding revision of exporter eligibility criteria for registration on “Source from India” service of Trade Connect e Platform. As per this revision, in addition to Status Holders, all exporters with valid Importer Exporter Codes (IECs) that have realized export earnings of at least USD 100,000 in any one of the previous three financial years can create microsites on “Source from India” section.

[Link to the PDF](#)

#### **Conclusion:**

Exporters may take note of this revision and benefit from the same.

---

### 8. Voluntary revision of customs entries

CBIC has issued a notification regarding new regulations for the voluntary revision of customs entries in India called the Customs (Voluntary Revision of Entries Post Clearance) Regulations, 2025 effective from 1st November 2025.

[Link to the PDF](#)

#### **Conclusion:**

Exporters, importers and authorized customs brokers may take note of these regulations and voluntarily revise entries in bills of entry, shipping bills, bills of export, or other customs records post-clearance under Section 18A of the Customs Act, 1962.

---

### 9. Consolidation of 31 Customs Exemption Notifications

Central Board of Indirect Taxes and Customs (CBIC) has issued a notification consolidating 31 existing customs exemption notifications into a single notification, prescribing the effective rates of Customs Duty, IGST, and Compensation Cess on goods imported into India.

[Link to the PDF](#)

#### **Conclusion:**

This notification, effective from 1st November 2025, aims to simplify compliance and reduce interpretational complexity for businesses.

## ★ MESSAGE FROM THE EXECUTIVE DIRECTOR, PLEXCONCIL, ★ Mr. Sribash Dasmohapatra

### SEVENTY YEARS OF SERVICE, PARTNERSHIP AND PROGRESS

The **Platinum Jubilee** is a moment of deep pride for everyone associated with **Plexconcil**. Over the last seven decades, the Council has played a pivotal role in transforming India's plastics export sector — from its early stages to a **world-class industry recognized for quality, innovation, and reliability**.

Our journey has been guided by a simple yet powerful vision — to position **India as a reliable global supply partner**. Today, India stands firmly as a **hub for plastics exports**, with the world increasingly looking towards **India to meet its growing demand for sustainable, high-quality plastic products**.

With our manufacturing capabilities, skilled workforce, and commitment to excellence, India is well positioned to fulfill the world's needs and emerge as a key player in global supply chains.

Through trade promotion, market development, and exporter support, Plexconcil has worked tirelessly to connect Indian manufacturers with international opportunities — bridging markets, building partnerships, and driving growth across continents.

This success would not have been possible without the continued support of our members, the **Ministry of Commerce & Industry**, and our industry partners. Together, we have turned challenges into opportunities and laid a strong foundation for **India's leadership in global plastics exports**.

As we celebrate this milestone, we also look to the future — one that is digital, sustainable, and innovation-driven. Plexconcil remains committed to promoting "Make in India, Make for the World," nurturing emerging exporters, and ensuring that India continues to shine as a trusted and competitive global partner.

On this historic occasion, I extend heartfelt congratulations to all **Export Excellence Award winners** and express my sincere gratitude to every stakeholder who has been part of this remarkable journey. Here's to the next chapter of growth — towards a more **prosperous, sustainable, and globally connected India**.

"As Plexconcil marks 70 years of service and success, we celebrate India's rise as a trusted global hub for plastic exports. The world is looking to India — not just for quality and innovation, but for reliability, sustainability, and vision. I congratulate all **Export Excellence Award winners whose dedication continues to strengthen India's position on the world stage.**"
