In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view and read along with other notes, are in conformity with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006, as amended, ("AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Deficit and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we

have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board (Committee of Administration) is responsible for the preparation of the other information. The other information comprises the information included in the Board (Committee of Administration) Report including Annexures containing financial highlights and achievement and highlights of activities but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board (Committee of Administration) is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also

includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board (Committee of Administration) is also responsible for overseeing the Company's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain

audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

1. In view of Para 1(2)(iii) of the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, the said Order is not applicable to the Company.
2. As required by Section 143(3) of the Act, we report that:
  - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - b. in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. the Balance Sheet, the Income and Expenditure and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - d. in our opinion, the aforesaid financial statements comply with the Accounting Standards (AS) specified under Section 133 of the Act;
  - e. on the basis of the written representations received from the directors as on March 31, 2021, and taken on record by the Board of Directors/ Board (Committee of Administration), none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of Section 164(2) of the Act;
  - f. with respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls as required under Clause (i) of Sub-section 3 of Section 143 of the Act, the same is not applicable to the Company vide amendment to the notification

G.S.R 464(E) dated 13th June 2017; and

- g. with respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended, the same is not applicable to the company, it being Section 8 company.
- h. with respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. the Company does not have any pending litigations which would impact its financial position;
  - ii. the Company did not have any long-term contracts including derivative contracts as at March 31, 2021;
  - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

### Schedule '16'

#### 1 SIGNIFICANT ACCOUNTING POLICIES

##### a) GENERAL:

The financial statements are prepared undergoing concern assumption based on the historical cost convention and by applying applicable Accounting Standards. The preparation of financial statements is in conformity with generally accepted accounting principles as applicable in India (Indian GAAP). The company follows mercantile system of accounting and recognizes income and expenses on accrual basis unless stated otherwise in the notes and except the items with significant uncertainties.

##### b) USE OF ESTIMATES AND JUDGEMENT

The preparation of financial statement in conformity with accounting standard requires the Management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affects the application of accounting policies and the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities at the date of financial statement and reported amounts of revenue and expenses during the period. Accounting estimates could change from period to period. Actual result could differ from those estimates. As soon as the Management is aware of the changes, appropriate change in estimates are made. The effects of such changes are reflected in the period in which such changes are made and, if material, their effects are disclosed in the notes to financial statement.

##### c) PROPERTY PLANT AND EQUIPMENT
