1. REVIEW OF EXPORT PERFORMANCE

The export analysis shown in Table 1 indicates that Plexconcil product exports marginally declined in **2025-26**, with exports valued at **USD 12.47 billion**, reflecting a fall of **0.26%** over the previous year.

Value-added plastics continued to be the dominant export segment, accounting for **69.22%** of total exports. Despite the overall contraction in exports, this segment recorded a positive growth of **1.53%**, highlighting the resilience and growing importance of value-added products in India's plastics export basket.

Plastic raw materials accounted for **23.22%** of total exports but witnessed a decline of **9.77%** during the year, primarily contributing to the overall slowdown in exports.

Disclaimer: The export figure for 2024-25 is revised to USD 12,500.98 million from USD 12,500.69 million reported in the previous year's Annual Report. The export figure for 2025-26 is provisional as available with DGCIS and may be subject to revision.

Direction of Plexconcil Product Exports

The direction of Plexconcil product exports, as shown in Table 2(a) and 2(b), indicates that exports in **2025-26** remained largely stable despite a marginal decline in overall exports. The **USA** continued to be India's largest export destination, accounting for **18.39%** of total exports, followed by **China (6.05%)**, **UAE (5.28%)**, **UK (4.19%)**, and **Germany (3.86%)**. Strong export growth was recorded in markets such as **Myanmar (45.49%)**, **Poland (40.10%)**, **Canada (24.74%)**, **Kenya (21.34%)**, **Netherlands (15.41%)**, **Germany (10.91%)**, and **Spain (9.54%)**, reflecting the continued diversification of India's plastics exports. However, exports declined to a few key markets, including the **USA**, **Saudi Arabia**, **Bangladesh**, **Vietnam**, **Belgium**, and **Brazil**.

Region-wise, **Europe** remained the largest export destination, accounting for **24.2%** of total exports, followed by **NAFTA (21.7%)**, **WANA (13.9%)**, **Africa (10.3%)**, and **ASEAN (8.1%)**, highlighting the broad geographical spread of India's plastics exports.

2.Participation in International Trade Fairs/Exhibitions/BSM / Delegation Visit

2.1 CHINAPLAS 2025, Shenzhen, PR China, April 15th – 18th, 2025

The Plastics Export Promotion Council of India (PLEXCONCIL) participated in the 37th edition of CHINAPLAS 2025 at the Shenzhen World Exhibition & Convention Center (Bao'an), PR China, where the global plastics and rubber industries had their eyes on. This grand four-day exhibition (April 15–18) was especially meaningful considering the obstacles the global economy has been facing, spanning across all 19 exhibition halls with a display area of more than 380,000 square meters and attracting over 4,500 high-quality exhibitors from all over the world.

The Council, which is also the exclusive representative of CHINAPLAS in India, organized the Indian participation in the event. A total of 11 Indian companies participated in the exhibition, namely, Fine Organic Industries Limited; KLJ Plasticizers Limited; Niknam Chemical Pvt Ltd; Omega Plasto Limited; JP Extrusion Tech Pvt Ltd; Daniel & Sons; Bubna Polysack Industries; Danfra Solutions; Sidhu Exports; Ramdev Chemical Industries; and MJ Pigments & Additives Pvt Ltd.

During the four-day event, Indian exhibitors enthusiastically interacted with potential buyers, distributors, agents, and key business partners. On the second day of the event, PLEXCONCIL and Adsale organized a strategic meeting to explore collaborative opportunities and strengthen their business ties. Adsale Officials Ms. Ada Leung, General Manager – Sales and Marketing, and Ms. Samantha, Director of Sales, attended the meeting along with PLEXCONCIL representatives Mr. Vikram Bhadauria, Chairman; Mr. Alok Tibrewala, Regional Chairman (East); Mr. Sribash Dasmohapatra, Executive Director; and Mrs. Bharti Parave, Deputy Director. An exclusive Indian Exhibitor Brochure was also published and distributed among visitors. The Council was represented at the exhibition by Mr. Sribash Dasmohapatra, Executive Director, and Mrs. Bharti Parave, Deputy Director.

2.2 India Pavilion at PACK EXPO 2025, Las Vegas, USA, September 29th to 2nd October, 2025

The Plastics Export Promotion Council (PLEXCONCIL), in its endeavour to promote the export of plastic products, took part in THE PACK EXPO 2025 in Las Vegas, USA, one of the largest shows for packaging and packaging materials in the USA, held from September 29 to October 2, 2025.

The India Pavilion had 10 booths with 8 exhibitors, namely, M/s Bilaspur Mining Industries Pvt. Ltd., M/s Bubna Polysack Industries, M/s Deon Tapes Industries Pvt. Ltd., M/s Dodhia Synthetic Limited, M/s Euphoria Packaging Private Limited, M/s Kuloday Technopack Pvt. Ltd., M/s Plasto Manufacturing Company, M/s Surgent Polypack Pvt. Ltd. from different parts of the country, displaying their products at the show. The India branding was well appreciated by the exhibitors and visitors at the show. The feedback was good on the first day, with more footfalls than on the second day. All the exhibitors were content to get their share of success in getting serious inquiries, most of which may materialize later.

The newly appointed Consul General of India, Los Angeles, Dr. K. J. Srinivasa, inaugurated the India Pavilion on the first day while interacting with the exhibitors and visiting the other pavilions to understand the market and the potential for Indian products at the show. He was very appreciative of the efforts taken by PLEXCONCIL in focusing on the packaging industry and hosting the first-ever India Pavilion at the large packaging show. The Council was represented by Mr. Ruban Hobday, Regional Director, South.

2.3 K-Show 2025, Dusseldorf, Germany - October 8th -15th, 2025

K-Show 2025, the world's largest trade fair for plastics and rubber, brought together leading global players showcasing innovations in materials, machinery, recycling, and sustainability. Plastindia Foundation organized the India Pavilion, facilitating the promotion of Indian exporters and strengthening international linkages for India's plastics industry. This time, over 180 Indian companies participated in the event.

Ms. Shuchita Kishore, the Consul General of India in Frankfurt, inaugurated the India Pavilion at K-Fair 2025 in Düsseldorf on 9th October 2025. The Consul General appreciated India's growing capabilities in the global plastics sector and interacted with participating Indian exhibitors. PLEXCONCIL coordinated the Consul General's visit and interactions. Mr. Nilotpall Biswas, Regional Director (East), represented the Council & also promoted the PLEXCONNECT RBSM scheduled during Plastindia show 2026

4.10 Human Hair Exporters' Meet – Digha, West Bengal – 30th July 2025

PLEXCONCIL, jointly with the West Bengal Human Hair Association, organised the above meeting at Digha, West Bengal. India is one of the largest sources of human hair in the world, with significant collection and processing hubs in West Bengal, Tamil Nadu, Andhra Pradesh, and Odisha. Indian hair is globally renowned for its natural quality, strength, and durability, and is particularly favoured in European, African, and American markets for use in wigs, extensions, and fashion accessories. However, over the past few years, the Indian human hair industry has been facing serious challenges due to the increasing export of unprocessed (raw) hair to neighbouring countries like Myanmar and Bangladesh. These countries are processing the raw hair and exporting the finished products, directly competing with India in the international market.

In this context, the Human Hair Exporters' Meet was organised for the first time to provide a platform for stakeholders to discuss critical issues, raise policy-level demands, and explore collective strategies for growth.

The meeting was attended by key government functionaries, including:

Mr. Soumendu Ray, IRS, Deputy Commissioner of Customs – Kolkata Airport

Dr. R. Sampath Kumar, ITS, Joint DGFT (Directorate General of Foreign Trade) – Kolkata

Dr. Mou Sen, Joint Director – MSME Department, Government of West Bengal

Mr. R. Benjamin Cherian, Panel Chairman – HUMAN HAIR & RELATED PRODUCTS

Human Hair Exporters from Eastern India, including exporters from Southern states, also attended the Meet.

INDEPENDENT AUDITOR'S REPORT

To the Members of

The Plastics Export Promotion Council

CIN U25200MH1955NPL009601

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **The Plastics Export Promotion Council** ("the Company"), which comprise the balance sheet as at 31st March 2026, and the statement of Income and Expenditure Account, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view, read along with notes, in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The company has prepared its financial statements on a going concern basis. Information other than the Financial Statements and Auditors' Report thereon The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other

information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

(COMPANY LIMITED BY GUARANTEE)

SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS ANNEXED TO AND FORMING PART OF THE BALANCE SHEET AS AT 31.03.2026 AND STATEMENT OF INCOME & EXPENDITURE FOR THE YEAR ENDED ON THAT DATE.

COMPANY INFORMATION:

The Plastics Export Promotion Council ('the Company') incorporated on 15.07.1955 is a Company Limited By Guarantee engaged in the activities to support, protect, maintain, increase and promote the export of goods made wholly or partly of plastics, finished or semi-finished and plastics raw materials and to support the Ministry of commerce, Govt. Of India for implementing the export promotion and other initiatives through policy formation such as EXIM Policy and such other policy of Govt. of India hereinafter referred to generally as "Plastics" and which shall extend to all territories comprised in the Union of India. The company is incorporated section 8 company under the provisions of Companies Act, 2013 and license to carry on charitable activities. The registered office of the company is in Mumbai under the jurisdiction of ROC, Maharashtra.

1 SIGNIFICANT ACCOUNTING POLICIES:

a. BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

The Financial Statements have been prepared and presented under the historical cost convention, on an accrual basis of accounting and in accordance with the accounting principles generally accepted in India ("Indian GAAP") and comply in all material aspects with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Accounting Standards) Amendment Rules, 2016 and Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Act, to the extent notified and applicable. Accounting policies have been consistently applied, except where a newly notified accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

b. USE OF ESTIMATES AND JUDGEMENT:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the reporting period. These estimates are based on management's best knowledge of current events and actions and actual results could differ from these estimates. The differences, if any, between the actual results and estimates are recognized in the year in which the results are known/ materialized. Any revision to the estimates is recognized prospectively in the current and future periods.

c. REVENUE RECOGNITION:

- i. The cost of Publications of the Council is charged to the Statement of Income and Expenditure in the year when expenses are incurred. The Income in respect of such publication is taken into account as

and when their sales are affected. The movement of Publications is controlled under the overall supervision of the Executive Director.

- ii. Membership fees is accounted as and when renewal subscriptions are received in terms of the rules governing the membership. Membership from new member is accounted at the time when the admission of such new member/s are approved in terms of the procedure laid out for the purpose.
- iii. Other income is accounted on accrual basis except when there is significant uncertainty in determining and realizing the income.
- iv. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable.

d. PROPERTY, PLANT AND EQUIPMENT AND DEPRECIATION THEREON:

Property, Plant and Equipment are carried at cost of acquisition or construction less accumulated depreciation and/or accumulated impairment loss, if any, thereon. The cost of Property, Plant and Equipment comprises its purchase price, related taxes, duties (net of CENVAT/GST/ VAT credit), freight insurance, impairment etc. attributable to bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price. Capital work-in-progress is stated at cost

Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing PPE, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Income & Expenditure for the period during which such expenses are incurred.

Advances paid/expenditure incurred on acquisition/ construction of Property, Plant and Equipment which are not ready for their intended use at each balance sheet date are disclosed under loans and advances on capital account or capital work-in progress respectively.

Gains or losses arising on de-recognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Income & Expenditure when the asset is de-recognised. Property, Plant and Equipment retired from active use and held for disposal are stated at the lower of their net book value and net realizable value and are disclosed separately under 'Other current assets'. Any expected loss is recognized immediately in the Statement of Income & Expenditure.

DEPRECIATION AND AMORTISATION:

Depreciation on Property, Plant and Equipment is provided using Written Down Value Method and is charged to the Statement of Income & Expenditure as per the requirement of Schedule II of the Act.

In respect of additions to fixed assets during the year, depreciation is considered on pro-rata basis from the date such assets are put to use. Individual assets costing Rs.5,000 or less each are depreciated fully in the year of purchase.

Residual Value of all the assets has been considered as 5% of Original Cost.

e. INTANGIBLE ASSETS AND AMORTIZATION:

Intangible assets, which comprise software are stated at cost of acquisition, including any cost attributable for bringing the same to its working condition, less amortization over estimated useful life. Software is amortized on straight line basis over a period not exceeding 5 years.

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

f. IMPAIRMENT OF ASSETS:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the greater of the net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Income & Expenditure. If at the Balance Sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost. Value in use is the present value of estimated future cash flows expected to arise from the continued use of the assets and from its disposal at the end of its useful life.

g. GOVERNMENT GRANT:

- i. Grants received from Government in respect of coded activities are credited to Statement of Income & Expenditure on the bases of fair estimate for the same as provided by the management, on the bases of the applicable criteria prescribed by the Government for the same.
- ii. Grants received for acquiring the specific fixed assets, are reduced from the cost of such assets and or at a nominal value as the case may be.
- iii. Grants for the specific Studies/Project/Events as approved by the Government, till the time such activities or objectives are achieved, are carried forward as liability. The amount spent on the projects as per the guidelines includes appropriate allocation of the administrative cost incurred by the Council on the project if so mandated under guidelines prescribed for the purpose. However, any surplus not applied for the purpose is to be refunded to the Government of India along with applicable interest.

h. RETIREMENT BENEFITS:

- i. Council's Contribution to Employees' Provident Fund maintained under the Employees' Provident Fund Scheme run by the Government is charged to Statement of Income & Expenditure.
- ii. The Employees' Gratuity Liability is funded with the Life Insurance Corporation of India under Group Gratuity scheme.
- iii. Leave Encashment Benefits as applicable to permanent employees are provided for on accrual basis as at the year-end as per the Council's rules. However, the said liability is not backed by specific investment for the purpose.

i. TRANSACTIONS IN FOREIGN CURRENCY:

Transactions in Foreign Currency are recorded at the exchange rate prevailing as on the date of the transaction. Net exchange gain or loss resulting in respect of foreign exchange transactions settled during the period is recognized in the Statement of Income & Expenditure for the period.

Monetary assets and liabilities in foreign currency, which are outstanding as at the year-end, are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognized in the Statement of Income & Expenditure. Non-monetary foreign currency items are carried forward at cost.

j. PROVISION FOR TAXATION:

The company is licensed to pursue charitable objects and is registered under Section 8 of the Act (erstwhile Section 25 of the Companies Act, 1956) and registered under Section 12AA of Income Tax Act, 1961. The provision for income tax, if any, is made based on the applicable provisions of income tax act especially exemption under Section 11 and 12 of Income Tax Act, 1961.

k. INVESTMENT:

Investments are classified into current and long-term investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments. However, that part of long-term investments which are expected to be realised within twelve months from Balance Sheet date are also presented under "Current investments" as "Current portion of long-term investments" in consonance with the current/non-current classification scheme of Schedule III to the Act.

Current investments are carried at the lower of cost and fair value. The cost and fair value is compared separately in respect of each category of investments. Any reduction in the carrying amount and any reversals of such reductions are charged to the Statement of Income & Expenditure.

Long-term investments (including current portion thereof) are carried at cost. A provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is recognized in the Statement of Income & Expenditure.

l. CASH AND CASH EQUIVALENTS:

Cash and cash equivalents comprise cash and deposit with banks and corporations. The Company considers all highly liquid investments with a residual maturity as at the date of purchase of three months or less and that are readily convertible to predetermined amounts of cash to be cash equivalents.

m. CASH FLOW STATEMENTS:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

n. PROVISIONS, CONTINGENT LIABILITIES & CONTINGENT ASSETS:

The Company creates a provision where there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made about the amount of the obligation. A disclosure for a contingent liability is made when there is a possible or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Contingent assets are not recognized in the financial statements.

o. OPERATING CYCLE:

Based on the nature of activities of the Company and the normal time between provision of services and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

p. GOODS AND SERVICE TAX (GST) INPUT CREDIT:

GST input credit is accounted for in the books in the period in which the underlying service / goods received is accounted and when there is reasonable certainty in availing / utilising the credits.
